Journal of Pediatrics

Overview

The Journal of Pediatrics is an international peer-reviewed journal that advances pediatric research and serves as a practical guide for pediatricians who manage health and diagnose and treat disorders in infants, children, and adolescents. The Journal publishes original work based on standards of excellence and expert review. The Journal seeks to publish high quality original articles that are immediately applicable to practice (basic science, translational research, evidence-based medicine), brief clinical and laboratory case reports, medical progress, expert commentary, grand rounds, insightful editorials, "classic" physical examinations, and novel insights into clinical and academic pediatric medicine related to every aspect of child health. Published monthly since 1932, The Journal of Pediatrics continues to promote the latest developments in pediatric medicine, child health, policy, and advocacy. It is ranked 6th out of 117 journals in the Pediatrics category in the 2014 Journal Science Report, Thomson Reuters with 2013 Impact Factor of 3.736.

Topics covered in The Journal of Pediatrics include, but are not limited to:
- General Pediatrics
- Pediatric Subspecialties
- Adolescent Medicine
- Allergy and Immunology
- Cardiology
- Critical Care Medicine
- Developmental-Behavioral Medicine
- Endocrinology
- Gastroenterology
- Hematology-Oncology
- Infectious Diseases
- Neonatal-Perinatal Medicine
- Nephrology
- Neurology
- Emergency Medicine
- Pulmonology
- Rheumatology
- Genetics
- Ethics
- Health Service Research
- Pediatric Hospitalist Medicine

Mission Statement:
Through a rigorous process of evaluation and peer review, The Journal of Pediatrics strives to publish pediatric research of the highest value for a diverse audience of pediatric healthcare professionals: academic general and subspecialty physicians and clinicians, researchers, educators, practicing and general pediatricians, nurse practitioners/physician assistants, hospitalists, residents, fellows, and others. The Journal seeks to inform immediate care decisions, deepen knowledge, and advance further scientific discovery to improve the quality of care and the health of infants, children, and adolescents.

Specifications

File Format
PDF or PDF/X-1a compliant files, saved as PDF version 1.3.

Transparencies within the supplied PDF(s) will be warned. The transparent elements contained in your file(s) must be converted within the native layout application or flattened in Acrobat using the High Resolution Flattener Presets to avoid overprint issues.

Saving your PDF to Acrobat 4 (PDF 1.3) compatibility will ensure transparent elements are flattened. If the ad contains spot colors that are not converted to process colors (CMYK) before flattening, overprint and/or trap issues may occur.

The following layout applications yield the optimum results for creating a print-compliant PDF and are expected to follow all requirements listed in this document:

- InDesign version 2 or higher (CS preferred)
- QuarkXPress version 6.5 or higher

Additional costs may apply if problems are encountered.

NOTE: When using Adobe Illustrator it is preferred to have all fonts converted to outline/paths, and files submitted as EPS files.

Images
All high-resolution images and fonts must be included. TIFF & EPS files must conform to the following minimum resolution specifications:

- Grayscale and Color images: 300 dpi
- Combination Grayscale and Color images: 500-900 dpi
- Line art (Bitmap) images: 900-1200 dpi

Higher image resolutions are acceptable as they exceed the minimum requirements, but in some cases unnecessary resolution will be discarded to achieve smaller file sizes.
Fonts

Use of PostScript Type 1 fonts is encouraged. Include fonts for any embedded graphics. DO NOT use Type 3 or Multiple Master fonts. Avoid using Macintosh menu-stylized fonts, Macintosh "city" fonts (Chicago, Geneva, etc.) and Microsoft Outlook fonts (Tahoma, Impact, etc.).

Page Layout

Regardless of the file format supplied, all ads must conform to the following specifications:

- Final size must meet journal trim size and include 1/8" bleed image on all four sides.
- Files will include trim marks with a minimum 3/16" offset.
- No content is to be within 1/4" of all trim edges.
- Supply as single page files only.
- Right Reading, Portrait Mode, 100% size, No Rotation.
- All fonts and graphics must be either embedded or included with the files and conform to the format type listed above. Images must also conform to the specifications above for minimum image resolution.
- All color ads should be supplied as composite files.
- Reverse type should be no less than 6pt. Fine lettering (thin lines, serifs) should be restricted to one color.
- Embedded images should not be scaled, cropped/masked or rotated within the page layout application but instead should be manipulated in a proper image editing program (e.g., Photoshop) and then imported into the page layout program at proper size and position.
- DO NOT nest EPS files within EPS files.
- All lines and line art images should be of a minimum 1/3 pt thickness (1/2 pt for reverses) at final size to reproduce effectively on press.
- Crop marks and SWOP color bars must be included and positioned 1/2" outside trim.

Color Space

All color images and files are to be supplied as CMYK with a Total Area Coverage (TAC) not to exceed 300% for the darkest area of an image. Files supplied as RGB will be automatically converted to CMYK.

Spot Colors

Spot colors are to be identified using the standard Pantone naming convention and not a custom color such as "Dark Blue." PMS colors will be converted to process unless otherwise specified. When using both art and layout programs be sure spot color naming is consistent in all applications (e.g., Do not define both PMS 201CV and PMS 201CVC). Any non-intended spot colors will be converted to CMYK.

Trapping and Screening

Overprints and knockouts should be defined. Files are NOT to be trapped or prescreened. Our Prepress service provider will use industry recognized trapping software to auto-trap your files for optimum performance and reproduction on press and will apply the appropriate screening. Note that these trap settings may force small text and fine graphics to overprint to hold registration on press.

Proofs

If submitting a proof for color match on press, please send a SWOP-certified contract color proof (with SWOP proofing bar or GATF proof comparator), produced from the final submitted file and imaged at 100% scale. Revised proofs must be supplied whenever a text or design change is made. For a list of current SWOP-approved proofs visit https://idealliance.org/systems-certification/certified-hard-copy-proofing-systems/. Desktop inkjet printer proofs do not meet SWOP specifications. Elsevier cannot guarantee color match unless acceptable proof is provided. If a contract proof is not supplied Elsevier will run to standard ink densities and dot gains.
Supplied Print Ad Pieces

**Size - 2 page:** 8-3/8” x 11-1/8”
**Size - 4 page:** 16-3/4” x 11-1/8”

**Trimming:** For 2 page 80# text preferred; 4 to 8 pages – 60# text minimum; 80# text maximum. Inserts that do not meet these minimum/maximum weights must be sent to the publisher two weeks prior to advertising close date for evaluation and print compatibility.

**Closing Date for Booking Inserts:** Same as ad space closing

**Insert delivery date:** See Insert due dates

All inserts must be submitted to Publisher for approval of stock, design and other mechanical specifications. Copy of insert must accompany insertion order Note: Failure to meet insert specifications & packaging guidelines may result in additional charges and/or delays with insertion.

Insert Quantity

Contact Ad Sales Services. For conference copy distribution, contact Ad Sales Services.

Insert Packing & Shipping Instructions

Inserts packed one up, folded if four pages, flat if two pages. All inserts must be delivered to the printer in cartons, with journal title, quantity, product & issue date (month/year) clearly marked. If shipping inserts for more than one issue date, inserts must be packed separately and clearly marked indicating journal title, issue date (month/year) and quantity.

Insert Shipments Address

**Journal of Pediatrics**

Sheridan Press

450 Fame Avenue
Hanover, PA 17331-1585
United States
Attn: Elsevier Team

Disposition of Reproduction Materials

All digital ad files will be held for twelve months only unless otherwise notified. Left over inserts will be held until the issue mails. After issue mailing is completed any unused inserts for that issue will be destroyed unless otherwise indicated on the insertion order. Excess inserts held in storage beyond completion of insertion date will be subject to storage charges.

For Contracts, Insertion Orders & Production Materials

Send new print ad files and submit pickup ads to [www.ads4els.com](http://www.ads4els.com).

3. Execution and modification of the order

2. Offer and acceptance/ Description

1. Applicability

Partial non-enforcement or partial enforcement of any provision (or prosecution of any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

Costs will be incurred or committed from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad.

The RELX Suppliers Code of Conduct at Suppliers Code of Conduct and Applicable Laws related to bribery, including, but not limited to, anti-corruption laws (such as the United States Foreign Corrupt Practice Act and the UK Bribery Act) and those enforced in the country where business is being conducted. Client acknowledges and agrees that any violation of this representation and warranty will cause irreparable harm to Elsevier, and that any satisfaction of this representation and warranty will be adequate to the remedy of Elsevier.

Elvesier will be entitled to issue investigatory notice requiring the Client to disclose all recipients of Products and Services from Elsevier, including, without limitation, all bank accounts and foreign exchange charges.

If payment is not otherwise agreed in writing, payment shall be made within thirty (30) days of the invoice date in the currency stated in the invoice. Invoiced sums due but not paid will bear interest at the rate of 5% per annum from the due date of the invoice.

Elvesier may seek recovery of the full cost of thepurposes of the TC notwithstanding that ownership of any of the Cop nephew of the products has not passed from Elsevier. For the avoidance of doubt in intellectual property rights in any product, Elvesier shall transfer to the Client the Client's right of use. The TC shall make all payments due under the TC without deduction whether by way of any duty, discount, deduction, or otherwise unless the Client has a valid court order requiring an equivalent amount to be paid to a third party. From the date of the invoice to the date of payment in full, interest at the rate of 5% per annum will be charged on the invoice balance. If the Client wishes to dispute any invoice in part, the Client shall, as soon as reasonably practicable, but not later than the due date of such invoice, send full details of such dispute to Elvesier in writing. The Client shall remain liable for any undisputed part of each invoice. At any time, at the Client's request, any payment in respect of services or any part of the invoice shall be paid to a third party other than the Client. The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and any other laws or regulations relevant to its duties, obligations and performance under this Agreement, including, without limitation,
