Specifications

File Format

PDF or PDF/X-1a compliant files, saved as PDF version 1.3.

Transparencies within the supplied PDF(s) will be warned. The transparent elements contained in your file(s) must be converted within the native layout application or flattened in Acrobat using the High Resolution Flattener Presets to avoid overprint issues.

Saving your PDF to Acrobat 4 (PDF 1.3) compatibility will ensure transparent elements are flattened. If the ad contains spot colors that are not converted to process colors (CMYK) before flattening, overprint and/or trap issues may occur.

The following layout applications yield the optimum results for creating a print-compliant PDF and are expected to follow all requirements listed in this document:

- InDesign version 2 or higher (CS preferred)
- QuarkXPress version 6.5 or higher

Additional costs may apply if problems are encountered.

NOTE: When using Adobe Illustrator it is preferred to have all fonts converted to outline/paths, and files submitted as EPS files.

Images

All high-resolution images and fonts must be included. TIFF & EPS files must conform to the following minimum resolution specifications:

- Grayscale and Color images: 300 dpi
- Combination Grayscale and Color images: 500-900 dpi
- Line art (Bitmap) images: 900-1200 dpi

Higher image resolutions are acceptable as they exceed the minimum requirements, but in some cases unnecessary resolution will be discarded to achieve smaller file sizes.
Fonts
Use of PostScript Type 1 fonts is encouraged. Include fonts for any embedded graphics. DO NOT use Type 3 or Multiple Master fonts. Avoid using Macintosh menu-stylized fonts, Macintosh "city" fonts (Chicago, Geneva, etc.) and Microsoft Outlook fonts (Tahoma, Impact, etc.).

Page Layout
Regardless of the file format supplied, all ads must conform to the following specifications:

- Final size must meet journal trim size and include 1/8" bleed image on all four sides.
- Files will include trim marks with a minimum 3/16" offset.
- No content is to be within 1/4" of all trim edges.
- Supply as single page files only.
- Right Reading, Portrait Mode, 100% size, No Rotation.
- All fonts and graphics must be either embedded or included with the files and conform to the format type listed above. Images must also conform to the specifications above for minimum image resolution.
- All color ads should be supplied as composite files.
- Reverse type should be no less than 6pt. Fine lettering (thin lines, serifs) should be restricted to one color.
- Embedded images should not be scaled, cropped/masked or rotated within the page layout application but instead should be manipulated in a proper image editing program (ex. Photoshop) and then imported into the page layout program at proper size and position.
- DO NOT nest EPS files within EPS files.
- All lines and line art images should be of a minimum 1/3 pt thickness (1/2 pt for reverses) at final size to reproduce effectively on press.
- Crop marks and SWOP color bars must be included and positioned 1/2" outside trim.

Color Space
All color images and files are to be supplied as CMYK with a Total Area Coverage (TAC) not to exceed 300% for the darkest area of an image. Files supplied as RGB will be automatically converted to CMYK.

Spot Colors
Spot colors are to be identified using the standard Pantone naming convention and not a custom color such as "Dark Blue." PMS colors will be converted to process unless otherwise specified. When using both art and layout programs be sure spot color naming is consistent in all applications (ex. Do not define both PMS 201CV and PMS 201CVC). Any non-intended spot colors will be converted to CMYK.

Trapping and Screening
Overprints and knockouts should be defined. Files are NOT to be trapped or prescreened. Our Prepress service provider will use industry recognized trapping software to auto-trap your files for optimum performance and reproduction on press and will apply the appropriate screening. Note that these trap settings may force small text and fine graphics to overprint to hold registration on press.

Proofs
If submitting a proof for color match on press, please send a SWOP-certified contract color proof (with SWOP proofing bar or GATF proof comparator), produced from the final submitted file and imaged at 100% scale. Revised proofs must be supplied whenever a text or design change is made. For a list of current SWOP-approved proofs visit https://idealliance.org/systems-certification/certified-hard-copy-proofing-systems/. Desktop inkjet printer proofs do not meet SWOP specifications. Elsevier cannot guarantee color match unless acceptable proof is provided. If a contract proof is not supplied Elsevier will run to standard ink densities and dot gains.
Delivery
Submit PDF ad files to Elsevier ad portal at www.ads4els.com

Conformance to Specs
Variances from the above specifications may not yield results that conform to Elsevier quality control standards.

1. Applicability

These terms and conditions shall apply to offers, proposals, and all communications made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment shall, from the entire agreement between the parties (the "TC"), supersede any previous oral or written agreements. All orders for the Products and/or Services shall be subject to acceptance and confirmation by Elsevier, in writing, and all terms and conditions of sale and performance referred to in such confirmation. Any modifications of the terms and conditions of sale and performance referred to in such confirmation shall not be effective unless expressly agreed to in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or fraudulent misrepresentation, or for death or personal injury caused by Elsevier’s negligence.

2. Applicability of terms and conditions

Terms and conditions associated with the purchase of the products and Services by the Client from Elsevier shall be to the effect that by placing the order the Client consents and acknowledges that the products and Services are supplied on the terms and conditions set out in this TC. Any order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [Elsevier/ref]. Elsevier reserves the right to cancel an order if it determines, in its absolute discretion, that the order cannot be fulfilled.

3. Execution and modification of the order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier reserves additional time in connection with the performance of the TC, shall be to the name of, and at the cost of, and at the risk of the Client. Any dates specified by Elsevier for delivery of the performance and Services are intended to be an estimate and time for delivery/performance shall not be deemed to be of the essence of the order. The Client shall be solely responsible for collecting from the Client its customers and at its own risk and expense, the price for which the Client has agreed to be paid.

4. Liability and claims

Parties shall be entitled to any and all remedies available to it at law or equity and nothing in this Agreement shall limit the Client’s existing legal or statutory rights where it is acting as a consumer. The parties agree that the Products and/or Services shall not limit the Client’s existing legal or statutory rights where it is acting as a consumer. The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, rules, and other applicable provisions ("laws") relevant to its duties, obligations and performance under this Agreement, including, without limitation, the U.S. Foreign Corrupt Practices Act ("FCPA") and all applicable laws and regulations of the United States and of any other country or jurisdiction in which the Parties operate, conduct business or deal with any government agency, court or government agency; (3) are the subject of a claim asserted by an entity with respect to its trademarks, service marks, or other proprietary rights; (4) are the subject of any arbitration or litigation; or (5) result in any claim or liability by any third party.

5. Cancellations & Returns

Costs will be incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad deadline. Partially enforcing any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC. If any part of a provision is declared by a court of competent jurisdiction to be illegal, invalid, voidable, unenforceable or unreasonable it shall be to the extent of such illegality, invalidity, voidness, voidability, or unenforceability be severed and the remainder of such provision shall continue in full force and effect. Failure or delay in enforcing or partially enforcing any provision (or possessing the benefits of) the TC will not be construed as a waiver of any of its rights under the TC.

6. Distribution

The Client shall not assign, delegate, sub-contract, sub-licensing of any of the products or Services to any third party without Elsevier’s written consent.

7. Intellectual property

No part of the Elsevier proposals, publications or the Products shall be reproduced, transmitted or otherwise distributed in any manner or form, without the specific prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the products. No part of the Client’s order acknowledgement, or any other document supplied by Elsevier in connection with the order acknowledgement, or any other document supplied by Elsevier in connection with the performance of the TC, shall be reproduced, transmitted or otherwise distributed in any manner or form, without the specific prior written permission of Elsevier. If any modification of the order acknowledgement results in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion, the Client shall be responsible for collecting the additional price from the Client's customers and at its own risk and expense, the price for which the Client has agreed to be paid.

8. Liability and claims

The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any person or entity other than Elsevier for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

9. Other terms and conditions

The Client further agrees to indemnify, defend and hold Elsevier harmless from and against any and all claims, losses, damages or expenses, including reasonable legal fees, incurred or suffered by Elsevier as a result of any claim or action brought by any person or entity against Elsevier or its employees or agents for any action taken by Elsevier on behalf of the Client or any action taken by the Client on behalf of Elsevier.

10. Advertising & Reprints

Unless otherwise agreed by Elsevier in writing the price/charge for the products and Services is based upon the number of copies of the Product that the Client has agreed to purchase, and where the Client’s order is not acknowledged, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier reserves additional time in connection with the performance of the TC, shall be to the name of, and at the cost of, and at the risk of the Client. Any dates specified by Elsevier for delivery of the performance and Services are intended to be an estimate and time for delivery/performance shall not be deemed to be of the essence of the order. The Client shall be solely responsible for collecting from the Client its customers and at its own risk and expense, the price for which the Client has agreed to be paid.

11. Audit

The Client further agrees that it shall at any time during the term, and upon such notice as Elsevier may require, permit Elsevier, or its duly authorized representatives, to enter the Client’s place of business or residence for the purpose of conducting an audit of the books and records of the Client or any other entity located or held on behalf of the Client, and to make such other examination and verification of the Client’s Books and Records as Elsevier may reasonably require. The Client further agrees that it shall not acquire any intellectual property rights in the Products. No part of the Client’s order acknowledgement, or any other document supplied by Elsevier in connection with the order acknowledgement, or any other document supplied by Elsevier in connection with the performance of the TC, shall be reproduced, transmitted or otherwise distributed in any manner or form, without the specific prior written permission of Elsevier.}
