Journal of Voice

Overview

The *Journal of Voice* is widely regarded as the world’s premiere journal for voice medicine research. The journal contains articles written by experts throughout the world on all topics in voice sciences, voice medicine and surgery, and speech-language pathologists’ management of voice-related problems. This peer-reviewed publication is listed in Index Medicus/MEDLINE, PsychInfo, and the Institute for Scientific Information.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to (i) offers, proposals, and make-up orders and (ii) every third party of its order (the "Client") relating to the products and/or services of Elsevier (the "Products and/or Services") and, along with the relevant Client order acknowledgement, shall form the entirety of the agreement between the parties (the "TC"). They supplant any previous verbal or written agreements or understandings between the parties.

2. Offer and acceptance/Description
Each offer for products or services by the Client from Elsevier shall be deemed to be an offer to Elsevier to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [further] Elsevier delivers the products or issues the invoice to the Client confirming performance of the Services for the Client. All product orders are subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products from Elsevier for its own use and not as and not of and on behalf of or for the benefit of any person or entity other than the Client. It represents and warrants that it is purchasing the Products and Services from the Client for the client's immediate and sole use and not for any other individual, private or commercial, as consultant or employee or agent.

3. Execution and modification of the order
If the Client requests for any modification to the products or services described, budgeted or scheduled to be provided to the Client after the order acknowledgement, it may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier modifies the description of the Products and Services agreed by both parties in the relevant order, including such things as format, presentation, style, and/or content of address or message, the Client shall pay for any such additional or extra services.

4. Liability and claims
The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such commercial contact or Government Official to provide, recommend, or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier. The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such commercial contact or Government Official to provide, recommend, or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier. The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such commercial contact or Government Official to provide, recommend, or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier. The Client further agrees that he/she will not accept any payment or other benefit in money or in kind from any commercial contact or Government Official for the purpose or intent to induce such commercial contact or Government Official to provide, recommend, or reward for any act or forbearance or in connection with any matter or business transacted by or on behalf of Elsevier.

5. Payment
The Client shall pay for the Products and Services at the prices specified in the relevant order or at the prices prevailing at the time of delivery, as the case may require. The Client shall pay for all amounts due to Elsevier on the terms accepted by Elsevier and evidenced by Elsevier's written confirmation and, in any event, within thirty (30) days of the invoice date in the currency stated in the invoice. Unless otherwise agreed in writing, the Client shall pay for all amounts due to Elsevier on the terms accepted by Elsevier and evidenced by Elsevier's written confirmation and, in any event, within thirty (30) days of the invoice date in the currency stated in the invoice. If any of the amounts due to Elsevier are more than ninety (90) days overdue (or more than sixty (60) days overdue in the case of a personal subscription in the UK), Elsevier reserves the right to withdraw the Products and Services and be entitled to cancel the Client's order for the same Products and Services. All payments shall be in accordance with the relevant order or invoice, unless otherwise agreed in writing. All prices are exclusive of all taxes, duties, levies, and all other similar charges, including any taxes, duties, levies, and all other similar charges.

6. Distribution
The Client agrees that no reproduction, reproduction, republishing or display of the Products or any other products or Services of Elsevier, shall be directly or indirectly facilitated as a way to engage in such activities. The Client shall promptly notify Elsevier of any breaches of any privacy, reproduction, reproduction, republishing or display of the Products or any other products or Services of Elsevier.

7. Intellectual property
The Client acknowledges that Elsevier is the owner of all intellectual property rights in the Products or Services, as applicable, and that the Client shall have no right to any such intellectual property rights.

8. Force majeure
The Client shall be liable for any payments due to Elsevier under the TC arising from any cause beyond its reasonable control, including acts of God, war, strikes, lockouts, accidents, riots, civil commotion, or similar causes.

9. Compliance with laws
The Client agrees to cooperate with Elsevier to ensure compliance with all applicable laws and regulations, including the laws of the country in which the Client is located, including, without limitation, laws and regulations related to intellectual property, copyright, and plagiarism of the Products by any third party. The Client is solely responsible for any liability arising from such activities.

10. Advertisements
The Client shall not make any use of the right to advertise or to market the Products or Services for any purpose other than the purpose of promoting the Products or Services. The Client shall not make any use of the right to advertise or to market the Products or Services for any purpose other than the purpose of promoting the Products or Services. The Client shall not make any use of the right to advertise or to market the Products or Services for any purpose other than the purpose of promoting the Products or Services. The Client shall not make any use of the right to advertise or to market the Products or Services for any purpose other than the purpose of promoting the Products or Services.

11. Software
The Client represents and warrants that it will not use any application software in the Products or Services in any manner or form other than as authorized by the relevant order or invoice.

12. Compliance with laws
The Client shall not use any Application Software in the Products or Services in any manner or form other than as authorized by the relevant order or invoice.

13. Attribution and credit
The Client shall not use any Application Software in the Products or Services in any manner or form other than as authorized by the relevant order or invoice.

14. Sole discretion
The Client acknowledges that Elsevier has sole discretion to determine the manner in which the Products will be delivered.

15. Non-discrimination
The Client represents and warrants that it will not use any Application Software in the Products or Services in any manner or form other than as authorized by the relevant order or invoice.

16. Confidentiality
The Client shall not use any Application Software in the Products or Services in any manner or form other than as authorized by the relevant order or invoice.
