1. Applicability

These terms and conditions shall apply to offers, proposals and advertisements made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties for the "TC". They supersede any previous communications between the parties.

2. Offer and acceptance

This TCO shall constitute an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment is issued by Elsevier. Elsevier reserves the right to refuse an order or to refuse to supply a product or service at its discretion without any liability. If the order is accepted, it shall be subject to the terms and conditions of the TCO and any other relevant terms and conditions agreed to by the parties.

3. Execution and modification of the order

Any modification to the TC or any statement of fact or description, budget or schedule is subject to the Client's written acknowledgment. Any such acknowledgment may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier redresses additional costs in connection with the performance of the TC, the Client shall be liable to pay in the name of, and at the cost of, and at the risk of the Client. All dates specified by Elsevier for delivery of the Products and Services are intended to be an estimate and are not guaranteed. Elsevier shall not be liable for any delay in delivery of the Products or Services.

4. Payment

Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are directly related to the performance of the Services. Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Laws. Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Laws.

5. Distribution

The Client shall engage only in the reproduction or republication of the Products or any other products of Elsevier, and shall do so directly or indirectly, facilitate or permit any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or unauthorized distribution of the Products or the communications of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due and owing from the Client. The Client shall not acquire any intellectual property rights in the Products. No part of the Elsevier proposals, publications or any other product may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by photocopying, recording or in any other manner or form, without the specific prior written permission of Elsevier.

6. Limitation of liability

TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS (i) Elsevier shall not be liable for any of the following losses which may arise by reason of breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind imposed on Elsevier by operation of law (including, without limitation, any duty of skill and care, any duty to exercising and using reasonable care and skill and any duty of exercising reasonable care and skill); (ii) Elsevier shall not be liable for any loss of profit or for any special, indirect, incidental, or consequential loss; (iii) Elsevier shall not be liable for any costs of recovery or any interest which may accrue on any amount which Elsevier shall be entitled to recover under this TC. In no event shall Elsevier be liable for any loss, liability, damage, claims, or causes of action, including reasonable legal fees and expenses incurred by Elsevier, whether arising from the TC or arising from the Client's performance of its obligations under this TC.

7. Intellectual property

The Client shall not acquire any intellectual property rights in the Products.
