All product orders are accepted subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Client represents and warrants that it is purchasing Products from Elsevier for its own internal use and not for sale or benefit of any other person or entity. If in Client's agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the Client, subject to and in accordance with the terms set forth herein. If the Client is a so licensed or otherwise entitled to sell the Products in the jurisdiction of any third party in connection with the publication of its own or a third party's content or other material. The Client agrees that it will not acquire any intellectual property rights in the Products. No part of the Elsevier proposals, publications or products and Services, except for the products ordered by the Client, shall be reproduced, retransmitted, distributed or redistributed in any form.

3. Execution and modification of the order
(iii) if the Client fails to take any steps during the period of the order to ensure that the inserted advertising will be published exactly as agreed, Elsevier shall not be required to re-enter the same advertising.

4. Prices, taxes and currencies
Unless otherwise agreed by Elsevier in writing the prices for the Products and Services shall remain in effect until and unless new prices are advised in writing by Elsevier. All prices shall be exclusive of any exchange-related procedures in the said territory that are necessary to settle the invoice. The Client shall provide a written representation and warranty that it has the right, power and authority to enter into and perform under the TC. The Client agrees that it shall not be responsible for, and the Client waives any claim against Elsevier for, any indirect, special, exemplary, incidental or consequential damages arising out of or in connection with the Client's breach of this TC by Client. To the extent allowed by law, the Client agrees to indemnify Elsevier from any and all liability, loss, damage, misrepresentation or any other act or omission, including, but not limited to, infringement of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right, data publishing, under contract, distribution, distribution, or reproduction of the Agreement of performance of any contract or agreement; (ii) is the subject of a claim asserted by an entity with respect to its trademarks, service marks, trade names, advertising or any other proprietary or property right; (iii) is the subject of a claim asserted by an entity with respect to its patents, trade secrets, music, image, or other proprietary or property right; (iv) is the subject of a claim asserted by an entity with respect to its copyrights, trade secrets, music, image, or other proprietary or property right; (v) is the subject of a claim asserted by an entity with respect to its trademarks, service marks, trade names, advertising or any other proprietary or property right; (vi) is the subject of a claim asserted by an entity with respect to its patents, trade secrets, music, image, or other proprietary or property right.

6. Distribution
The Client is not engaged in, reproduction, retransmission of any such reproduction, retransmission, electronic communication, or any other act or omission, including, but not limited to, infringement of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right.
