The American Journal of Cardiology

Overview

The American Journal of Cardiology is the leading independent, peer-reviewed journal that publishes more material on cardiovascular disease and its treatment than any other independent journal. Original clinical articles are written primarily for cardiologists, cardiovascular surgeons, and internists. Editorial content stresses the practical, clinical approach to cardiology. Departments include: Coronary Artery Disease, Congestive Heart Failure, Systemic Hypertension, Valvular Heart Disease, Arrhythmias and Conduction Disturbances, Heart Failure, Congenital Heart Disease, Cardiomyopathy, Methods, Editorials, Case Reports, and Readers' Comments. 2019 Impact Factor: 2.570

13. Cancellations & Returns

Orders and returns should be directed to the Customer Service Department of Elsevier. All cancellations must be requested in writing or in a letter addressed to the Customer Service Department. Orders for all items can be canceled up to 28 days after the date of delivery. Orders for print subscriptions can be canceled up to 45 days after the date of delivery. After this period, orders are considered final and cannot be canceled. Orders for electronic products cannot be canceled once the content has been downloaded. The Client shall pay all amounts due and owing, if any, for all undelivered items. A cancellation charge of 25% of the total invoice amount may be applied to all cancellations made after the 30th day from the date of sale. Cancellations are subject to management approval, and Elsevier reserves the right to refuse any cancellation.
