The American Journal of Cardiology

Overview

The American Journal of Cardiology is the leading independent, peer-reviewed journal that publishes more material on cardiovascular disease and its treatment than any other independent journal. Original clinical articles are written primarily for cardiologists, cardiovascular surgeons, and internists. Editorial content stresses the practical, clinical approach to cardiology. Departments include: Coronary Artery Disease, Congestive Heart Failure, Systemic Hypertension, Valvular Heart Disease, Arrhythmias and Conduction Disturbances, Heart Failure, Congenital Heart Disease, Cardiomyopathy, Methods, Editorials, Case Reports, and Readers' Comments. 2019 Impact Factor: 2.570

1. **Applicability**

   This document is comprised of several sections that cover various aspects of the agreement, including intellectual property, distribution, payment, and others. The section on **intellectual property** addresses the rights and limitations regarding the use of intellectual property. The **distribution** section details how the products are to be distributed, and the **payment** section outlines the terms and conditions for payment. The document is structured to ensure clarity and effectiveness in conveying the rights and obligations of the parties involved.

2. **Monthly average web metrics based on the period of July 2022 to June 2023**

   The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier reserves the right to refuse the assignment of the TC or any part of it, if it deems that the assignment would have a negative impact on the performance of the Services or the execution or modification of the order.

3. **Client shall allow Publisher's authorized representative at any reasonable time to have access to Client's premises (or Client’s premises) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC.**

   This right to inspect and verify compliance is a critical aspect of the agreement, ensuring that the Client adheres to the terms and conditions outlined in the TC. Any violations of these terms could result in legal or financial consequences.

4. **Payment**

   Unless otherwise agreed by Elsevier in writing, payments shall be effected within thirty (30) days of the invoice date in the currency remitted. In the event of any dispute or controversy, the payment due under the TC shall be frozen until the dispute is resolved, and any payments made in advance of such resolution will be refunded to the Client. The Client shall not be entitled to refuse payment due to any dispute or controversy.

5. **Compliance with laws**

   The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier, or sell or distribute or otherwise make available to any other party in any manner those prohibited by law. The Client shall be responsible for collecting from its customers amounts due in respect of the sale of the Products, exercising control and carefully safeguarding any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to pay for the copy run in the previous issue unless the advance payment has been received. Where the Client is indebted to Elsevier for any other Services or in respect of any other order, the Client shall remain liable for such indebtedness until such advance payment has been received. Where the Client is indebted to Elsevier for any other Services or in respect of any other order, the Client shall remain liable for such indebtedness until such advance payment has been received.

6. **Injunctions**

   In case of any dispute, the Client will be entitled to use legal action to obtain an injunction to stop any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for the conduct of its business and shall be entitled to reject any order for reprints of material that has not been published.

7. **Compliance with laws**

   The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier, or sell or distribute or otherwise make available to any other party in any manner those prohibited by law. The Client shall be responsible for collecting from its customers amounts due in respect of the sale of the Products, exercising control and carefully safeguarding any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to pay for the copy run in the previous issue unless the advance payment has been received. Where the Client is indebted to Elsevier for any other Services or in respect of any other order, the Client shall remain liable for such indebtedness until such advance payment has been received. Where the Client is indebted to Elsevier for any other Services or in respect of any other order, the Client shall remain liable for such indebtedness until such advance payment has been received.
