The American Journal of Geriatric Psychiatry

Overview

The American Journal of Geriatric Psychiatry is the leading source of information on issues of geriatric psychiatry and the treatment of late life mental illness. Topics include diagnosis and treatment for dementia and Alzheimer disease, depression, cognitive impairment, behavioral issues, mood disorders, sleep disturbances, and substance abuse. Book reviews and letters to the editors are also included. Special topic issues have included psychopharmacology, neuroimaging, cultural issues, anxiety, epidemiology, nursing home psychiatry, neuroendocrine and stress, genetics and cognitive impairment, delirium, and stress. New research and clinical case studies are also included.

**EELSEVIER TERMS AND CONDITIONS OF SUPPLY**

1. Applicability: These terms and conditions shall apply to offers, proposals, and agreements made between Elsevier and any party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous correspondence or agreements in writing between Elsevier and the Client. The Client agrees to be bound by the provisions of these terms and conditions. Any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraudulent misrepresentation.

2. Offer and acceptance/ Description: Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or Elsevier delivers the Products or issues the invoice to the Client confirming performance of the Services for the Client. All product descriptions are subject to availability of the ordered Products. Unless otherwise expressly agreed in writing, a Client represents and warrants that it is purchasing Products from Elsevier for its own use and not for and on behalf of any other person or entity. If the Client's agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the sole and no more than one identified representative or principal of the Client. If the agent is permitted to order personal subscriptions in the name of the Client, for the account and use of no more than one identified individual subscriber for personal use only. Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier; upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring the Client to discontinue all copies of Products and Services from Client, including all actual copies that have not been previously identified by Client. Elsevier shall commercially reasonable efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and of address, weights and the like. All drawings, descriptive matter, specifications and advertising materials by Elsevier and any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Products and Services described therein. None of these will form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for requesting delivery or, as the case may be, modifying the agreed price.

3. Cancellation or modification of the order: Any modification to the terms of the order or description, price, schedule or payment terms of the order or advertisement, as applicable, must be in accordance with the relevant order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reads additional instructions or specifications, the Client shall pay Elsevier for such additional activity at Elsevier's then current billing rate.

4. Prices, taxes and currency: Unless otherwise agreed by Elsevier in writing and the price quoted for the Products and Services is based on Elsevier's current price list. Any returns of the products shall be subject to the relevant Elsevier company's return policy. Reprints cannot be returned once these have been printed.

5. Payment: Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency quoted. Exchange rates will be the rates prevailing on the date on which Elsevier receives payment in cleared funds from the Client. Payment of all invoices must be made in accordance with these terms and conditions. All monies paid by the Client to Elsevier will be received subject to the conditions of payment set out in the TC. If any sums are not paid when due, any costs will be incurred or committed/contracted from the date of receipt of written notice of cancellation by Elsevier. Orders for advertisements must be cancelled in writing prior to the relevant ad space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of such policies will be provided to the Client upon request. Reprints cannot be returned once these have been printed.

6. Distribution: The Client shall defend, engage, reproduce, or publish the Products or any other products of Elsevier, unless it is explicitly on its behalf or for the purpose and take such steps to avoid the effects of such event to the extent possible.

7. Intellectual property: Whereby an invoice, date or time that the Client is aware that the liability of Elsevier is to be limited in accordance with these terms and conditions and the relevant laws, and the Client acknowledges that a higher price would be payable for the Products or Services but for such limitations.

8. Rate Card: Rate Card Effective January 2024. 

9. Force majeure: The provisions of this TC and to avoid the effects of such event to the extent possible.

10. Advertising & Reprints: The Client is solely responsible for collecting from its customers and other relevant parties the sums due on all invoices. The Client is liable for all costs and expenses incurred by Elsevier in relation to the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and of address, weights and the like. The Client shall be entitled to recover from the Client for the cost of the Products notwithstanding that ownership of any of the Products has not passed from Elsevier. For the avoidance of doubt, no intellectual property rights in the Products shall transfer to the Client but the Client shall be entitled to use the Products for the purposes of this TC; (ii) the use, reproduction, distribution or publication of advertising content by any other party is prohibited, including in any medium or format, without the express written consent of Elsevier.

11. Audit: It is the Client's responsibility to accept and use the Products and Services as agreed by both parties, unless Elsevier, at the time of giving its order, is, under the laws of any territory in which it is selling the Products, is entitled to request in writing on the TC, from the amount of the payment which will be automatically increased to fully reflect what Elsevier, for the avoidance of doubt, no intellectual property rights in the Products shall transfer to the Client but the Client shall be entitled to use the Products for the purposes of this TC; (ii) the use, reproduction, distribution or publication of advertising content by any other party is prohibited, including in any medium or format, without the express written consent of Elsevier.
