1. Applicability

These terms and conditions shall apply to all offers, proposals, amendments made by supply and advertising made by the Client to the Products and/or Services ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous verbal or written agreements between the parties for the "TC". The Client acknowledges that its purchase of the Products and/or Services and its use or enjoyment of any part of such products or services as a result of any action or inaction pursuant to this TC constitutes its consent to be bound by the terms and conditions of this TC. A quote is open for acceptance for a period of thirty (30) days after the date of quotation. The acceptance of a quotation will be in the form of a signed contract. A contract containing the purchase details and address of the Client is legally binding and the Client will be invoiced and made accountable for payment of the purchase price. This contract will prevail over any order acknowledgment or order confirmation. If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing. Elsevier shall be entitled to charge the full cost of the space should the order be cancelled after the space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space. If, at the request of the Client, Elsevier modifies additional terms of the TC to reflect a change in pricing or other circumstances, the Client shall be invoiced for any additional amount found owing and Elsevier shall be entitled to receive payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. Products may be supplied in any applicable quantities and may be supplied by any of Elsevier's suppliers or substitute suppliers and may be supplied to the Client under separate TCs with such suppliers, and payment shall be made in accordance with the terms of such separate TCs, to the extent that payment is not already made under this TC. Any Products delivered by Elsevier to the Client under this TC shall be at the Client's risk as from delivery.

Where applicable, Elsevier shall provide to Elsevier's VAT registration number or other tax identification number. Any adjustment to the price at any time shall be effective from the date of Elsevier's written notice to the Client. The Client shall provide Elsevier with the name and address of any authorized representative or agent designated by the Client for the purpose of receiving notices and correspondence.
