1. Applicability

These terms and conditions shall apply to all offers, proposals, and agreements made between Elsevier and any third party or its third party agents ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the T&C"). They supersede any previous understanding and agreement between the parties, including any prior proposals, quotations and order acknowledgments.

2. Offer and acceptance

Offers shall be made in writing by Elsevier or its authorized representatives and shall be subject to the order acknowledgment and confirmation of the Client. Any order acknowledgment and confirmation must be in accordance with the T&C. Failure or delay by Elsevier in delivering or accepting any order acknowledgment and confirmation shall not be construed as a waiver of any of its rights under the T&C.

3. Execution and modification of the order

Any modifications to the order for the products or service description, budget or schedule, as set out in the order acknowledgment and confirmation, must be in accordance with the T&C. Failure or delay by Elsevier in accepting any modification to the order shall not be construed as a waiver of any of its rights under the T&C. The Client may only make modifications to the order if agreed in writing with Elsevier. Any such modifications shall be governed by the T&C.

4. Prices, taxes and currencies

All prices quoted by Elsevier shall be exclusive of any applicable taxes, duties, levies or other similar charges, unless otherwise stated in writing by Elsevier. The Client agrees to pay all such taxes, duties, levies or other similar charges when due and in full. The Client is responsible for all costs related to the processing and payment of such taxes, duties, levies or other similar charges. Failure to pay any such taxes, duties, levies or other similar charges when due shall be considered a breach of the T&C.

5. Liability and claims

 Except as expressly provided in the T&C, Elsevier shall not be liable for any loss, damage or expense, whether direct, indirect, consequential or other, that may arise from any breach of the T&C by Elsevier or from any act or omission of Elsevier, or from any failure on the part of Elsevier to meet any of its obligations under the T&C. The Client agrees to indemnify Elsevier against all claims and proceedings brought against Elsevier in respect of any such loss, damage or expense, whether direct, indirect, consequential or other, that may arise from any breach of the T&C by Elsevier or from any act or omission of Elsevier, or from any failure on the part of Elsevier to meet any of its obligations under the T&C.

6. Distribution

The Client shall not engage, encourage, reproduce, or plagiarize the Products or any other products of Elsevier or its affiliates, nor shall the Client directly or indirectly facilitate or authorize any party to engage in such activities. The Client shall promptly notify Elsevier of any breach of any proprietary rights, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers all amounts due in respect of the sale of the Products, whether for cash or credit control, and shall ensure that all such amounts are paid to Elsevier in full. The Client shall not be liable for any delays in payment by its customers.

7. Intellectual property

The Client agrees to pay all reasonable costs and expenses incurred by Elsevier in enforcing its rights under the T&C, including but not limited to legal fees, court costs, and any other costs and expenses incurred in enforcing its rights. The Client agrees to indemnify Elsevier against all claims and proceedings brought against Elsevier in respect of any such costs and expenses.

8. Liability and claims

Though the Client acknowledges and accepts that delivery of Products or Services may be delayed due to circumstances beyond the reasonable control of Elsevier, the Client agrees that, except as expressly provided in the T&C, the Client shall not be entitled to any damages, whether direct, indirect, consequential or other, that may arise from such delays.

9. Force majeure

Subject to the limitation of liability set out in the T&C, Elsevier shall not be liable for any loss, damage or expense, whether direct, indirect, consequential or other, that may arise from any breach of the T&C by Elsevier or from any act or omission of Elsevier, or from any failure on the part of Elsevier to meet any of its obligations under the T&C.

10. Audit

The Client agrees to cooperate with Elsevier and its authorized representatives in any audit, inspection, or other examination of its books and records related to the Products or Services. The Client agrees to provide Elsevier with all necessary information and documentation to facilitate such audit, inspection, or other examination.

The Client shall at all times during the term strictly comply with all applicable laws, ordinances, codes, regulations, and administrative orders relevant to its duties, obligations, and performance under this Agreement, including, without limitation, the laws relating to the import and export of any goods or services and the regulation of any exports or imports.

12. Compliance with laws

The Client agrees to indemnify Elsevier against all claims and proceedings brought against Elsevier in respect of any such disputes.

14. Governing language

The T&C shall be written in English and notwithstanding any considerations of law or local statutes, the Client agrees to be bound by the English version of the T&C. The Client acknowledges and agrees that the English version of the T&C shall be the sole and exclusive version applicable to the parties.

15. Assignment

The Client shall not assign, transfer, or delegate any of its rights or obligations under the T&C without the prior written consent of Elsevier. The Client acknowledges and agrees that its failure to obtain Elsevier’s prior written consent to any such assignment, transfer, or delegation shall be considered a breach of the T&C.

The Client acknowledges and agrees that its failure to comply with any of its obligations under the T&C shall be considered a breach of the T&C and shall result in the immediate termination of the T&C by Elsevier.

17. Entire agreement

This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements, understandings, negotiations, and communications between the parties. The Client acknowledges and agrees that its failure to comply with any of its obligations under this Agreement shall be considered a breach of the Agreement and shall result in the immediate termination of the Agreement by Elsevier.
