BJA Education

Overview

BJA Education, formerly Continuing Education in Anaesthesia, Critical Care and Pain, is a joint venture of the British Journal of Anaesthesia and The Royal College of Anaesthetists in the UK. It is also the official journal of The Faculty of Pain Medicine, The College of Anaesthetists of Ireland, The Hong Kong College of Anaesthetists and the Faculty of Intensive Care Medicine.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability  
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). These terms and conditions are not transferable.

2. Offer and acceptance  
Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [insert name]. Elsevier reserves the right to refuse to supply any product to a Client.

3. Execution and modification of the order  
Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier reduces additional penalties, the Client shall be entitled to apply any monies received by the Client, to clear any of the Client’s outstanding debts to Elsevier.

4. Prices, taxes and currencies  
Prices do not include sales taxes. Unless otherwise agreed by Elsevier in writing, all taxes shall be paid by the Client and shall be added to the invoice value of the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [insert name].

5. Payment  

6. Distribution  
Products may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by photocopying, recording or in any other manner or form, without the specific prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose of re-selling and/or reselling the Product or Service under any other order, Elsevier reserves the right to withhold supply of the Products or Services...

7. Intellectual property  
Content complies with any applicable laws, rules, industry codes, regulations and generally prevailing custom and practice. Elsevier retains all right, title and interest in and to the Products. No part of the Elsevier proposals, publications or other Products may be stored in any automated data file and/or reproduced, whether electronically, mechanically, by photocopying, recording or in any other manner or form, without the specific prior written permission of Elsevier. Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and/or Services shall remain with Elsevier unless agreed otherwise in writing. The Client is solely responsible for ensuring the Clients’ obligation to make payments to Elsevier under clause...

8. Liability and claims  

9. Confidential information  
Confidential information includes all technical, business, and financial information disclosed by Elsevier to the Client, and any of its subsidiaries, affiliates, or agents in connection with the Products or Services, including, without limitation, any methods, processes, ideas, designs, technical instructions, know-how, knowledge, formulas, samples, data, or other confidential information. Each party agrees not to disclose to third parties any confidential information except to the extent that the information in question was (a) in the possession of the party who is required to disclose such information prior to disclosure to the other party; (b) in the party’s possession and was not acquired by the party as a result of an express or implied license or other arrangement between the parties; (c) independently developed by the party to whom it is to be disclosed; or (d) is publicly known at the time of disclosure or becomes publicly known thereupon, and the party disclosing such information has taken reasonable steps to prevent disclosure thereof.

10. Free of charge  
If no dates are so specified, delivery/performance will be within a reasonable time.

11. Audit  
Client and its officers, directors, employees and agents shall be entitled to inspect the Products and Services at any time or at any place in the Client’s ownership or control, and the Client shall provide Elsevier with all reasonable cooperation for such inspection. Any costs or expenses incurred by Elsevier in connection with such inspection shall be reimbursed by the Client.

12. Force majeure  
In the event that any force majeure event shall occur, neither party shall be liable for any failure or delay in performance caused by such event, provided that the affected party gives written notice thereof to the other party as soon as practicable after the event. Nothing in this clause shall be construed as creating an obligation to indemnify the other party against the other party’s own liabilities. Elsevier shall be responsible for any delays or failures in performance caused by fire, flood, earthquake, riot,...
