All order acknowledgments, except for electronic or internet-based order acknowledgments, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, in the event of the Client, Elsevier requires additional information from the Client, the Client will have 10 business days to provide the required information. If the Client fails to respond within the time specified, the order may be cancelled by Elsevier at its discretion.

3. General and modifications of the Order

All modifications to the TC, whether in respect of the Products and/or Services, their description, scheduling or budget, shall be in accordance with the terms and conditions of the TC. In the event that the Client fails to respond within the time specified, Elsevier may amend the terms and conditions of the TC to reflect the changes required by the Client. Any such amendments shall be accepted by the Client and shall be subject to the terms and conditions of the TC. Any modification to the TC or the Products and/or Services shall be in accordance with the terms and conditions of the TC. If the Client requests any change to the TC, Elsevier shall be entitled to charge the Client for any additional costs incurred as a result of such changes.
