1. Applicability

The terms and conditions shall apply to all orders of products or services made by and between the Client and the Publisher, unless otherwise agreed in writing. The terms and conditions shall be the exclusive terms governing all transactions between the Client and the Publisher, and shall override any terms or conditions contained in any purchase order or similar document of whichever party is prior in time. If any term of these terms and conditions is deemed invalid, unenforceable, or unenforceable to the extent of such invalidity or unenforceability, the same shall continue in full force and effect to the extent that it is valid, enforceable, and not unenforceable, and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or exercising any right, power, or privilege under these terms and conditions shall not constitute a waiver of such right, power, or privilege, nor shall any waiver of any breach of these terms and conditions constitute a waiver of any subsequent breach or of any other breach of these terms and conditions.

2. Offer and acceptance

The Publisher shall have the right to accept or reject any order for the products or services at any time before delivery without notice or any liability. The Publisher shall be entitled to charge the full cost of any cancellations of orders not made in accordance with these terms and conditions.

3. Execution and modification of the order

Any modifications to the agreed product or service description, budget or schedule, as set out in the order, shall be made in writing and signed by an authorised signatory of Elsevier. Any such modifications shall be treated as a new order and subject to these terms and conditions. Any modifications made shall be subject to the Publisher's sole discretion and may incur additional costs or delays. The Client shall be entitled to apply any monies received by the Client, to clear any of the Client's outstanding debts to Elsevier.

4. Liability and claims

The Publisher shall not be liable for any failure or delay in complying with any of the terms of these terms and conditions unless the same is due to circumstances beyond its control, which cannot be reasonably avoided. The Client shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or such other premises as the Publisher may reasonably require) for the purpose of inspecting Client’s facilities, books and records to verify Client’s compliance with these terms and conditions.

5. Payment

The Client shall pay all amounts due under these terms and conditions on the date or dates specified in the order or invoice or, if not specified, within 30 days of the date of receipt of invoice. Any sum not paid by the due date shall be interest-bearing at a rate of 1% per month, or such lower rate as is permissible by law, and any such interest shall accrue daily from the due date. All sums due under these terms and conditions shall be paid in full without set-off or counterclaim. The Client shall indemnify Elsevier against any costs or expenses incurred by Elsevier in recovering any sums due under these terms and conditions.

6. Force majeure

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it, directly or indirectly, facilitate or any other party to engage in these activities. The Client shall promptly notify Elsevier of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers all amounts due in respect of the sale of the Products. Elsevier may, at its discretion, recover any such amounts from the Client.
