Biological Psychiatry

Overview

*Biological Psychiatry* provides authoritative, innovative coverage of the entire spectrum of psychiatric research. With its rigorous, peer-reviewed editorial standards, the journal consistently presents major clinical, behavioral, epidemiological, and normative studies in all subdisciplines relevant to psychiatry, including pathology, physiology, pharmacology, biochemistry and genetics.

Biological Psychiatry features rapid publication, 24 times per year, and is constantly expanding to keep pace with the growing amount of research in the field.

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). They supersede any previous written or oral arrangements between the parties. In addition, any further change to these terms by the Client shall only become effective if agreed to in writing. These terms and conditions are intended to be an offer for sale and as such are not an acceptance of any offer made by the Client.

2. Offer and acceptance/Description

Any offer made by Elsevier to supply the Products and Services subject to the TC has only been accepted by the Client after a written confirmation by Elsevier has been received by the Client. It is the Client’s responsibility to ensure that the order acknowledges, in writing, any request to amend the final price and/or delivery schedule at Elsevier's discretion. It is the Client's responsibility to ensure that the final price and delivery schedule provided by Elsevier are acceptable to the Client.

3. Execution and modification of the order

(i) The Client shall be responsible for organizing the production and publication of the Products and services as requested by the Client. The Client shall be responsible for ensuring that the Products and services are produced in accordance with the specifications and requirements set forth in the TC. The Client shall be responsible for ensuring that the Products and services are delivered to the Client in accordance with the specifications and requirements set forth in the TC.

(ii) The Client shall be responsible for ensuring that the Products and services are delivered to the Client in accordance with the specifications and requirements set forth in the TC. The Client shall be responsible for ensuring that the Products and services are delivered to the Client in accordance with the specifications and requirements set forth in the TC.

4. Right to reject

The Client is entitled to reject the Products and services if they do not meet the specifications and requirements set forth in the TC. The Client shall be entitled to reject the Products and services if they do not meet the specifications and requirements set forth in the TC. The Client shall be entitled to reject the Products and services if they do not meet the specifications and requirements set forth in the TC.

5. Payment

The Client shall pay the price for the Products and services as provided in the TC. The Client shall pay the price for the Products and services as provided in the TC. The Client shall pay the price for the Products and services as provided in the TC.

6. Delivery

The Client shall be responsible for collecting the Products and services from the Client. The Client shall be responsible for collecting the Products and services from the Client. The Client shall be responsible for collecting the Products and services from the Client.

7. Intellectual property

The Client shall be responsible for obtaining the necessary licenses and permits necessary to utilize the Products and services as provided for in the TC. The Client shall be responsible for obtaining the necessary licenses and permits necessary to utilize the Products and services as provided for in the TC. The Client shall be responsible for obtaining the necessary licenses and permits necessary to utilize the Products and services as provided for in the TC.

8. Liability and claims

Elsevier hereby declares that all the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and/or address of file, weights and the like. The delivery, disclaimer, description, specification and advertising by Elsevier will be in accordance with the relevant Elsevier company's return policy as described below. Reprints cannot be returned once these have been printed. The Client further agrees that it will not accept any payment or other benefit in money or in kind from any other person or entity; and it will not accept any payment or other benefit in money or in kind from any other person or entity; and it will not accept any payment or other benefit in money or in kind from any other person or entity.

9. Force majeure

If any force majeure event occurs, the Client’s obligations to supply the Products and Services will be suspended until such time as the force majeure event is resolved. The Client’s obligations to supply the Products and Services will be suspended until such time as the force majeure event is resolved. The Client’s obligations to supply the Products and Services will be suspended until such time as the force majeure event is resolved.

10. Advertising & Reprints

(i) The Client shall be responsible for selecting the appropriate products and services as provided for in the TC. The Client shall be responsible for selecting the appropriate products and services as provided for in the TC. The Client shall be responsible for selecting the appropriate products and services as provided for in the TC.

(ii) The Client shall be responsible for selecting the appropriate products and services as provided for in the TC. The Client shall be responsible for selecting the appropriate products and services as provided for in the TC. The Client shall be responsible for selecting the appropriate products and services as provided for in the TC.

11. Compliance with laws

The Client must ensure that the Products and services are produced, delivered and used in accordance with all applicable laws, regulations, rules and industry codes. The Client must ensure that the Products and services are produced, delivered and used in accordance with all applicable laws, regulations, rules and industry codes. The Client must ensure that the Products and services are produced, delivered and used in accordance with all applicable laws, regulations, rules and industry codes.

12. Cancellations & Returns

(i) The Client shall be entitled to cancel the order for the Products and Services if the Clients are not delivered within the agreed time. The Client shall be entitled to cancel the order for the Products and Services if the Clients are not delivered within the agreed time. The Client shall be entitled to cancel the order for the Products and Services if the Clients are not delivered within the agreed time.

(ii) The Client shall not be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall be entitled to assign the TC or any part of it without the prior written consent of Elsevier. Elsevier shall be entitled to assign the TC or any part of it without the prior written consent of Elsevier.

13. General

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties ("the TC"). They supersede any previous written or oral arrangements between the parties. In addition, any further change to these terms by the Client shall only become effective if agreed to in writing. These terms and conditions are intended to be an offer for sale and as such are not an acceptance of any offer made by the Client.
