Biological Psychiatry

Overview

*Biological Psychiatry* provides authoritative, innovative coverage of the entire spectrum of psychiatric research. With its rigorous, peer-reviewed editorial standards, the journal consistently presents major clinical, behavioral, epidemiological, and normative studies in all subdisciplines relevant to psychiatry, including pathology, physiology, pharmacology, biochemistry and genetics.

Biological Psychiatry features rapid publication, 24 times per year, and is constantly expanding to keep pace with the growing amount of research in the field.

14. General

Parties agree that, to the extent permitted by law, no action, suit or proceeding, howsoever described, for breach of contract, tort or otherwise, whether in equity or at law, shall be brought against Elsevier after the expiration of six years from the date on which any claim or cause of action has accrued.

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and safely keeping all its income laws resulting from any uncollected amounts. Delays or failures in obtaining such payments will not affect the provisions of this TC and the effects of the events to which it applies.

To the extent not inconsistent with the terms of this TC, any of the above provisions of this TC shall be interpreted so as to be consistent with and harmonized with the provisions of the TC.

The Client agrees that, except as otherwise provided in this TC, in the event of a dispute arising out of or related to the Advertising Content or the Client’s breach or alleged breach of any of the foregoing representations and warranties, the Client’s sole and exclusive remedy will be to (i) stop publication of the Advertising Content; (ii) request a full refund of the Advertising Content charges; and (iii) seek injunctive relief to prevent any further publication or usage of the Advertising Content.

The Client shall not engage in those activities and shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any party to engage in those activities.
