Biological Psychiatry

Overview

Biological Psychiatry provides authoritative, innovative coverage of the entire spectrum of psychiatric research. With its rigorous, peer-reviewed editorial standards, the journal consistently presents major clinical, behavioral, epidemiological, and normative studies in all subdisciplines relevant to psychiatry, including pathology, physiology, pharmacology, biochemistry, and genetics.

Biological Psychiatry features rapid publication, 24 times per year, and is constantly expanding to keep pace with the growing amount of research in the field.

3. Execution and modification of the order

Each order for the Products and/or Services by the Client from Elsevier shall be deemed to be an offer by the Client to Elsevier. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or Elsevier's appointed representative. The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its licensors, nor shall it directly or indirectly facilitate or permit others to engage in these activities. The Client shall promptly notify Elsevier if becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client shall be solely responsible for collecting from its customers amounts due in respect of sale of the Products and/or Services, exercising full control and safely holding any overcharge less resulting from any unavoidable delays. Delays or failures in obtaining such payments will not affect the Client's obligations to indemnify Elsevier under clause 20.

4. Intellectual property

Copyright and other property rights in all of Elsevier's publications and proposals, and all other orders relating to the Products and/or Services shall remain with Elsevier unless agreed otherwise in writing. The rights granted by Elsevier are not restricted to any sole or exclusive, nor shall they be assigned, transferred, or sublicensed without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the Products. No part of the Elsevier's publications, proposals, publications or Products may be reprinted, reproduced, or otherwise reproduced, whether electronically, mechanically, by photocopying, recording or by any other means or forms, without the specific prior written permission of Elsevier.

5. Liability and claims

Elsevier is liable for any breach of contract, in negligence, or otherwise, for any breach of statutory or other obligation of any kind, arising directly or indirectly from the performance of its obligations under the TC or the Services rendered in respect of the Products. Elsevier's liability shall be limited to the amount paid by the Client under the TC. The Client shall remain liable for any undisputed part of such invoice. Elsevier shall be entitled, at its own discretion, to cease any work arising from the TC until such advance payment has been received. Where the Client is indebted to Elsevier for any other amounts under the TC, Elsevier shall be entitled to set-off any such amounts against the invoice without prejudice to its other rights.
