Clinical Genitourinary Cancer

Overview
Clinical Genitourinary Cancer is a bi-monthly journal established in 2001 focused on genitourinary cancers. It features an international editorial board comprised of prominent thought leaders, including Editor-in-Chief Dr. Oliver Sartor. It is mailed free of charge to US-based medical oncologists, urologists, radiation oncologists, hematologists and surgical oncologists. Each issue features peer-reviewed original contributions, comprehensive reviews and case reports, commentaries, and current trial reports. Also included are brief editorials of current news and the latest topics concerning genitourinary cancer issues relevant to clinicians.

3. Execution and modification of the order

Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products or Services at the then-current rates set forth in the Elsevier order acknowledgement, subject to and conditioned upon the terms agreed between Elsevier and the Client. The Client represents and warrants that the Client is entitled to and possesses the authority to enter into and perform under this TC. Subject to any and all other terms and conditions of this TC, Elsevier shall sell to the Client the Products or Services set forth in the TC invoice, subject to the Client’s making full and final payment to Elsevier in the manner specified in this TC. Where a fixed price applies, the Client agrees that the price of the Products or Services shall be fixed, and will not be subject to any adjustments or increases, whether or not there is any increase in the cost of labor, materials or services, unless agreed in writing by双方. Where a non-fixed price applies, the Client agrees that the price of the Products or Services shall be established in accordance with the terms and conditions of this TC and such prices shall be subject to adjustment by Elsevier in accordance with Section 7.4.

4. Prices, taxes and currencies

Prices, unless otherwise agreed by Elsevier in writing, are exclusive of all taxes, duties, levies, customs duties, and governmental charges, whether or not specifically mentioned in the TC. If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, war, embargo, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations under this TC, then the party shall be excused from the performance of its obligations to the extent of such event, and the remainder of the party’s obligations shall continue in full force and effect. Nothing in this Section shall be construed as creating an obligation to indemnify the other party against the other party’s own losses or liabilities for any other loss impuTABLE to it shall in any event be limited to the invoice value of the part of the products or services not delivereD to the Client.

5. Payment

The Client shall pay all amounts due under the TC, subject to any and all other terms and conditions of this TC, in the currency agreed upon by the parties. Any amounts due under this TC are subject to the requirements of Section 5.1 of the TC. All payments due under the TC shall be made in full and without setoff or deduction. The Client shall pay all amounts due under the TC without any deduction whether by way of any offset, counterclaim, discount, abatement or otherwise unless the Client has a valid and current court order requiring an equal amount to be deducted to be paid by the Client to the Client. Failure to make any payments when due will entitle Elsevier to charge interest at the then-current prime interest rate plus 5% per annum on the amount past due from the date of the invoice to the date of such default. In the event of any default, in whole or in part, by the Client, Elsevier shall be entitled to make any payments due under the TC.

6. Distribution

The Client that agrees to engage, reproduce, reprints or other copies of the Product or any other products of Elsevier, shall do so only with the prior written approval of Elsevier. The Client shall be solely responsible for collecting its customers amounts due in respect of its products. The Client is required to pay all of its losses resulting from any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client’s obligation to make payments to Elsevier under clauses 5.1 or 5.2.

7. Intellectual property

The Client agrees to (i) respect all rights granted by Elsevier, including without limitation any copyright, trademark, patent, patent application, or other intellectual property right, (ii) not to infringe or misappropriation of any copyright, trademark, patent or other intellectual property right, and (iii) to cooperate with Elsevier in the assertion of any such claim by Elsevier. The Client represents that it has the authority to enter into and perform this TC and that it is not infringing any intellectual property rights of others. The Client shall indemnify Elsevier and its affiliates for any claims, liabilities, damages, costs or expenses, including, without limitation, reasonable attorneys’ fees, incurred by Elsevier or its affiliates as a result of any claim by any third party that the Client’s use or reproduction infringes or otherwise violates the intellectual property rights of such third party.

8. Liability and claims

The Client is solely responsible for the accuracy and completeness of all data and information, including, without limitation, any personal, confidential, or sensitive information, that the Client inputs into the Site or otherwise provides to Elsevier. The Client represents and warrants that the Client is entitled to and possesses the authority to enter into and perform under this TC. Subject to any and all other terms and conditions of this TC, Elsevier shall sell to the Client the Products or Services set forth in the TC invoice, subject to the Client’s making full and final payment to Elsevier in the manner specified in this TC. Where a fixed price applies, the Client agrees that the price of the Products or Services shall be fixed, and will not be subject to any adjustments or increases, whether or not there is any increase in the cost of labor, materials or services, unless agreed in writing by both parties. Where a non-fixed price applies, the Client agrees that the price of the Products or Services shall be established in accordance with the terms and conditions of this TC and such prices shall be subject to adjustment by Elsevier in accordance with Section 7.4.

9. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, war, embargo, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations under this TC, then the party shall be excused from the performance of its obligations to the extent of such event, and the remainder of the party’s obligations shall continue in full force and effect. Nothing in this Section shall be construed as creating an obligation to indemnify the other party against the other party’s own losses or liabilities for any other loss impuTABLE to it shall in any event be limited to the invoice value of the part of the products or services not delivereD to the Client.

10. Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and signed by an authorized signatory of Elsevier. The Client agrees that the price of the Products or Services shall be fixed, and will not be subject to any adjustments or increases, whether or not there is any increase in the cost of labor, materials or services, unless agreed in writing by both parties. Where a non-fixed price applies, the Client agrees that the price of the Products or Services shall be established in accordance with the terms and conditions of this TC and such prices shall be subject to adjustment by Elsevier in accordance with Section 7.4.
