ELISVEER TERMS AND CONDITIONS OF SUPPLY

1. Applicability
   These terms and conditions shall apply to all proposals, offers and agreements made between the Publisher and any party to third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the "TC"). They supersede any previous verbal or written agreement between the parties.

2. Compliance with laws
   In the order acknowledgment, you may set an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of Elsevier, Client remedies additional fees, Client shall pay such fees as a reasonable cure for any breach of any of these terms.

3. General
   All payments shall be made within thirty (30) days of the invoice date in the currency agreed to by the parties.

4. Payment
   Any payment otherwise agreed in writing, shall be made within thirty (30) days of the invoice date in the currency agreed to by the parties. Invoices shall be submitted to Elsevier within thirty (30) days of the invoice date.

5. Force majeure
   If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, war, earthquake or other similar cause beyond the control of a party, such party is unable to perform in whole or in part, the performance of the TC shall be excused or postponed for the duration of the force majeure condition.

6. Intellectual property
   The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the jurisdiction of the corporate domicile of the Elsevier company which is providing the Products or Services.

7. Intellectual property
   The Client shall be solely responsible for collecting from its customers any amounts due in respect of the products supplied, including the sales tax charged thereon, within the terms specified in the TC and in accordance with the Applicable law.

8. Liability claims
   The Client shall immediately notify Elsevier of any infringement of any copyright, patent, trademark, trade secret, music, image, or other proprietary or property right. Elsevier shall have the right to take any action it deems appropriate, including but not limited to issuing a cease and desist letter, seeking an injunction, and bringing an action for monetary damages.

9. Force majeure
   The Client shall cooperate fully with Elsevier in minimizing any effects of Force Majeure and shall take all reasonable steps to mitigate any losses sustained by Elsevier as a result of any Force Majeure event.

10. Advertising & Reprints
   The Client shall be solely responsible for any liability arising from any advertisements placed in the Products and Services, whether such advertisements are posted on the Products and Services provided by Elsevier, or any other third party.

11. Audit
   The Client shall be solely responsible for any liability arising from any advertisements placed in the Products and Services, whether such advertisements are posted on the Products and Services provided by Elsevier, or any other third party.

12. Compliance with laws
   The Client shall be solely responsible for any liability arising from any advertisements placed in the Products and Services, whether such advertisements are posted on the Products and Services provided by Elsevier, or any other third party.

13. Compliance with laws
   The Client shall be solely responsible for any liability arising from any advertisements placed in the Products and Services, whether such advertisements are posted on the Products and Services provided by Elsevier, or any other third party.

14. General
   The Client shall be solely responsible for any liability arising from any advertisements placed in the Products and Services, whether such advertisements are posted on the Products and Services provided by Elsevier, or any other third party.
