EELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability: These terms and conditions shall apply to all proposals, offers and communications made between the Client and Elsevier (the "Client") relating to the products and/or services of Elsevier (the "Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous agreement or understanding, oral or written, between the parties. The whole of the TC shall be deemed to have been reached within the Elsevier company group in providing the Products or Services as set out on the Elsevier order acknowledgement. Where general terms and conditions of business are proposed by the Client, these shall not apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraud or personal injury caused by its negligence.

2. Offer and acceptance/ Description: Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [further] Elsevier delivers the Products or issues the invoice to the Client. Any order for the Products and Services must be accompanied by a purchase order letter stating all details of the order and quantity of the Products and Services required. The Client’s purchase order letter shall form part of the TC. Any representation, statement, or other document, given by the Client, including any price list or similar document, shall be deemed to be made subject to the Client’s prior written acceptance of these terms and conditions. Any order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier reads additional texts in connection with the products of the Client, such operation will be for the account and risk of the Client. Any dates specified by Elsevier for delivery of performance and the Products and Services are intended to be an estimate and the time for delivery/performance shall not be made of the essence by the Client. Any such algorithm or programming, which enables the Client to process the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of the sale of the Products, including value-added and sales tax and VAT. Delays or failures in obtaining such payments will not affect the Client’s obligations to pay for the Products and Services under the TC.

3. Intellectual property: Copyright and other property rights in all Elsevier publications, proposals and other products or Services shall remain with Elsevier unless agreed otherwise in writing. The right to publish, reproduce, or otherwise use any of Elsevier’s material contained in the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and/or amount of address, file names and the like. All drawings, descriptive matter, specifications and advertising text by Elsevier or any other publications or illustrations contained in Elsevier’s catalogues or brochures are issued or published for the purpose of giving an approximate idea of the description of the Products and Services described therein. They will not form part of the TC. The publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content as defined in the characteristics of the Products and Services, cannot be considered a reason for rejecting delivery or, as the case may be, modifying the agreed price.

4. Prices, taxes and currency: Unless otherwise agreed by Elsevier in writing the prices for the Products and Services shall be Elsevier’s current price list (whether printed or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be without any expenses, import duties or other levies imposed on the sale of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Elsevier shall provide to Elsevier’s VAT registration number or other tax identification number. The Client shall provide Elsevier with valid VAT registration number (where applicable) and tax identification number for all sales and purchases. All amounts due under the TC shall be net of taxes, duties, levies, or similar charges. Invoices and payment shall be in the currency so agreed in writing. Elsevier shall not be liable or responsible for any changes to value-added, sales and any other taxes or duties. Any change in the rates of value-added taxes, duties, levies, or similar charges shall be borne by the Client. Where taxes, duties, levies, or similar charges are payable by Elsevier, the Client will be notified in writing of the basis and amount of such taxes, duties, levies, or similar charges. Unless the Client is required to register for value-added tax, Elsevier shall not be required to charge value-added tax on an invoice sent to the Client. The Client shall be responsible for obtaining and paying any value-added tax, duties, levies, or similar charges levied or required by any government or local authority. Where the Client is required to register for value-added tax under the TC, Elsevier shall be entitled to charge value-added tax on the invoices issued to the Client for the supply of the Products and Services. Invoices may be issued in more than one currency, at the Client’s request, and in such currency, at the Client’s risk. The Client shall pay all invoices in the currency specified on the invoice or in accordance with the payment terms agreed in writing.

5. Payment: Except where payment is otherwise specified, payment will be effected within thirty (30) days of the invoice date in the currency specified. Invoices shall either be prepared by Elsevier in accordance with the Client’s specific instruction and subject to the TC or Shall be prepared by Elsevier in accordance with the TC. The Client shall not be entitled to make any deduction or set-off of any kind from any payment due for any goods or services supplied hereunder or from any claim which the Client may have against Elsevier or its employees, agents, contractors, or subcontractors, or under any agreement. All payments shall be net of any taxes, duties, levies, or similar charges. Where the Client is required to register for value-added tax under the TC, Except where payment is otherwise specified, payment will be effected within thirty (30) days of the invoice date in the currency specified. Invoices shall either be prepared by Elsevier in accordance with the Client’s specific instruction and subject to the TC or Shall be prepared by Elsevier in accordance with the TC. The Client shall not be entitled to make any deduction or set-off of any kind from any payment due for any goods or services supplied hereunder or from any claim which the Client may have against Elsevier or its employees, agents, contractors, or subcontractors, or under any agreement. All payments shall be net of any taxes, duties, levies, or similar charges. Where the Client is required to register for value-added tax under the TC, Unless otherwise agreed in writing, payments will be made by the Client prior to receipt of the Products or Services. The Client shall be responsible for paying any value-added, sales, or any other taxes, duties, levies, or similar charges levied or required by any government or local authority. Where the Client is required to register for value-added tax under the TC, Elsevier shall be entitled to charge value-added tax on the invoices issued to the Client for the supply of the Products and Services. Invoices may be issued in more than one currency, at the Client’s request, and in such currency, at the Client’s risk. The Client shall pay all invoices in the currency specified on the invoice or in accordance with the payment terms agreed in writing.

6. Distribution: The Client shall not re-distribute, reproduce, or in any other manner use any of the Products or Information from Elsevier, unless specifically authorized or permitted by Elsevier. The Client shall only be entitled to make such use as is necessary to fulfill the obligation to deliver and ship the Products and Services as specified under the agreement. The Client shall not otherwise distribute, reproduce, display, distribute, or in any way use the Products or Services, or any part thereof, for any commercial purposes other than those for which it has been licensed by Elsevier.

7. Force majeure: Elsevier shall not be responsible for any non-performance, delay or interruption of performance in connection with the supply of the Products or Services, due to circumstances beyond Elsevier’s control. The Force Majeure Event shall be determined by the Client’s or Elsevier’s reasonable judgment taking into account the prevailing circumstances. Force Majeure Events shall include but not be limited to: (i) acts of God; (ii) acts of public authorities; (iii) wars; (iv) revolutions; (v) epidemics; (vi) strikes; (vii) riots; (viii) floods; or (ix) inability of the Client or Elsevier to obtain or deliver from a third party service or product. The Client will give Elsevier prompt notice of any such event.
