ELSEVIER TERMS AND CONDITIONS OF SUPPLY

1. Applicability These terms and conditions apply to all proposals, quotations and agreements made between Elsevier and any third party or its agent (the “Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the “TC”). These terms supersede any previous terms and conditions negotiated between the parties unless expressly agreed by Elsevier in writing.

2. Compliance with laws All Proposals, quotations and agreements made between Elsevier and any third party or its agent shall be subject to all applicable laws, rules and regulations and industry codes of conduct applicable to the Products and/or Services as described in the proposal, quotation or agreement. Elsevier’s catalogues or brochures are issued or published for the sole purpose of giving an approximate description of the Products and Services described therein. They will form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for reparing delivery or, as the case may be, modifying the agreed price.

3. General and modification of the order If the Client breaches any of the terms and conditions of the order, or is late with payment, Elsevier shall be entitled to cease work and, at Elsevier’s discretion, cancel the order. All work done up to the point of cancellation shall be paid for by the Client.

4. Prices, taxes and currencies Unless otherwise agreed Elsevier will invoice the Client in the currency specified in the proposal, quotation or order. Elsevier will be liable to all taxes and duties imposed on the supply of products by any government or its agency or any political authority. Unless agreed in writing, all taxes, duties, fees, levies, and other charges levied by any government or its agency or any political authority shall be paid by the Client.

5. Payment Unless otherwise agreed in writing, payment shall be effectuated within thirty (30) days of the invoice date in the currency rendered. In the event payment is overdue, Elsevier reserves the right to charge interest on the outstanding amount at a rate of the applicable base rate plus 1% per annum.

6. Distribution Unless otherwise agreed Elsevier will distribute Products to the Client at the Client’s nominated address and shall be entitled to make delivery by any method it considers appropriate. Unless otherwise agreed in writing, any delivery terms agreed in the order or any other terms in the TC will be subject to such terms.
