1. Applicability

These terms and conditions shall apply to all proposals, offers and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous understandings or communications between the parties.

2. Offer and acceptance/ Description

Each order for the Products and/or Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and/or Services subject to the TC. No order placed by the Client shall be deemed accepted until written acknowledgement of order is issued by Elsevier or [hashed] Elsevier delivers the Products or issues the invoice to the Client or makes performance of the Services for the Services. For all products, except for certain third party products or software such as API may be subject to additional terms.

3. Execution and modification of the order

The Client shall notify Elsevier in writing of any modifications to the order or notification relating to such order, as applicable, within ten (10) days from the date of receipt of the Products and/or Services, or else Elsevier may commence performance of the order as if no such modification or notification had been made. Failure or delay by Elsevier in enforcing or claiming any right arising from the TC shall not constitute a waiver by Elsevier of such right or any of its obligations hereunder.

4. Liability and claims

All Products and/or Services supplied and/or delivered by Elsevier (as defined below) are supplied subject to the terms and conditions set forth in this TC. In the event of any illegality, invalidity, voidness, voidability or unenforceability it shall to the extent of such illegality, invalidity, voidness, voidability, or unenforceability, be null and void and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or claiming any right arising from the TC shall not constitute a waiver by Elsevier of such right or any of its obligations hereunder.

5. Payment

The Client shall pay for the Products and/or Services in full and in accordance with Elsevier’s standard terms of payment. Payment may be made by credit card, bank transfer, or other methods as agreed in writing. Any taxes, duties, or other government charges applicable to the sale of the Products and/or Services shall be paid by the Client. Elsevier may also invoice the Client in advance for all or part of the Products and/or Services to be supplied hereunder. All sums due to Elsevier shall be paid or debited to Elsevier’s account in the currency in which the order is placed. Interest at a rate of 8% per annum on any overdue amount shall accrue from the due date specified in the order or invoice to the date of payment or, if no due date is specified, from the date of the invoice to the date of payment. If the Client is in default of any payment under the TC, Elsevier may suspend delivery of any Products or Services under the TC until such monies are paid in full. Elsevier reserves the right to terminate the TC and any order hereunder where the Client is in default of any payment under the TC. If a dispute arises concerning the amount due under the TC, then the amount due hereunder shall be paid in full pending the resolution of such dispute.

6. Distribution

The Client shall not reproduce, reproduce or reproduce in any way the Products or other products of Services unless it first obtain written approval from Elsevier. The Client shall not make available any of the Products or Services on a free-to-access basis. The Client shall not sublicense any right to use the Products or Services to any third party.

7. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, any law, ordinance, regulation or governmental action, any act of God or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part any of the obligations hereunder, then the date of performance shall be extended from the date of the force majeure event for a period equal to the duration of such force majeure event. The party affected by force majeure shall promptly notify Elsevier of the same and shall reasonably cooperate in efforts to overcome the force majeure event.
