Elsevier Terms and Conditions of Supply

1. Applicability: These terms and conditions shall apply to offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and shall apply to the Client's purchase of the Products and Services and Supply. The Client shall be deemed to have agreed to these Terms and Conditions by accepting an offer or placing an order with Elsevier. In the event that the Client does not provide Elsevier with sufficient authority to perform all the terms and conditions of this Agreement, Elsevier may not be able to enter into a contract with the Client.

2. Offer and acceptance: Unless otherwise agreed by Elsevier, offering the price for and/or describing the Products and/or Services is not an offer to sell or to engage in any business relationship or to make an offer to sell. A contract of supply between Elsevier and the Client will be formed when Elsevier issues an invoice or order acknowledgement to the Client.

3. Description and delivery: The Products and/or Services shall be supplied to the Client in accordance with the details set out in the order acknowledgement or invoice. Elsevier will use reasonable endeavours to deliver the Products and/or Services in accordance with the agreed date or dates set out in the order acknowledgement or invoice. Elsevier reserves the right to make changes to the Products and/or Services without notice in order to improve the quality or functionality of the Products and/or Services.

4. Liability and claims: Elsevier shall not be liable to the Client for any loss, damage or expense arising out of or related to the Products or Services or the Client's breach or alleged breach of any of the terms of the Order. Elsevier's liability to the Client shall be limited to the amount actually remitted to Elsevier, net of all taxes,等于 the amount invoiced or otherwise due. The Client will indemnify Elsevier for any losses or expenses incurred in connection with any claim made against Elsevier.

5. Force majeure: In the event of force majeure, the Client shall be excused from its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is prevented from fulfilling or performing its obligations.

6. Amendments: The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products or other products.

7. Limitation of liability: Elsevier shall not be liable for any of the following losses which may be caused to the Client's employees or agents, loss of profit, loss of revenue, loss of use of facilities, or any other indirect or consequential loss or damage.

8. Liability and claims: Elsevier shall not be liable for any indirect or consequential loss or damage, including loss or damage caused by interruption of business, or any other indirect or consequential loss or damage arising out of or in connection with the Products or Services, including any description or illustration contained in the Client's catalogue or foils or brochures which are posted to the Client by Elsevier or its agents or representatives.

9. General: The Client has entered into this TC in reliance on its own judgment and has not relied on any representation or warranty made by Elsevier or its representatives. Elsevier certifies that the Products and/or Services shall be supplied in accordance with the terms and conditions set out in this TC and that Elsevier shall fulfill its obligations under this TC to the fullest extent of its ability.

10. Advertising & Reprints: Any cancellations made after the space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space closing date. In the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space closing date. In the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space closing date. In the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space closing date.
