European Journal of Obstetrics & Gynecology and Reproductive Biology

Overview

The European Journal of Obstetrics and Gynecology and Reproductive Biology is the leading general clinical journal covering the continent. It publishes peer reviewed original research articles, reviews and case reports, as well as a wide range of news, book reviews, biographical, historical and educational articles and a lively correspondence section. Fields covered include obstetrics, prenatal diagnosis, materno-fetal medicine, perinatology, general gynecology, gynecologic oncology, urogynecology, reproductive medicine, infertility, reproductive endocrinology, sexual medicine and reproductive ethics.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to offers, proposals and agreements made between Elsevier and any third party or its agent (“the Client”) relating to the products and/or services of Elsevier (“the Products and/or Services”) and all amendments thereto. They supersede any previous supply terms and conditions. For the purposes of the TC Elsevier means the company within the Elsevier group that is providing the Products or Services set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, Elsevier shall not apply and the TC will prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation.

Where Products are sold to the Client that contain third party software or product such a sale may be subject to additional licence terms.

2. Offer and acceptance/Description

Subject to the products for the order being available and the Client being creditworthy, Elsevier shall be deemed to have accepted the Client’s order upon delivery of the Products or Services from Elsevier to the Client.

3. Payment

(a) Prices stated in the TC are exclusive of value added tax (VAT) and shall be paid at the rates in force at the date of delivery. Customs duties, import duties or similar taxes, levies, fees and charges payable by the Client as a result of the importation of the Products shall be paid by the Client and shall be added to the invoice price. (b) Payment terms may vary between countries and are subject to change at the sole discretion of Elsevier.

4. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing the prices quoted for the Products include delivery costs to the Client’s address as shown on the invoice and are exclusive of all other expenses unless agreed otherwise in writing. The Client acknowledges that the VAT charged is calculated in accordance with the laws of the place of invoicing. Unless otherwise agreed in writing to the contrary the price shall be payable in the currency stated on the invoice or in the TC.

5. Insurance and losses

(b) Any losses or damages suffered by Elsevier in respect of a delay in delivery or of the Products will be borne by the Client.

6. Distribution

(a) Unless otherwise agreed, Elsevier shall deliver the Products to the Client at its appointed place for delivery. If the Client agrees to accept such the Products more than 30 days after the date of its delivery then any losses and damages shall be borne by the Client.

7. Risk and title

(a) Risk in the Products shall pass to the Client at the time and place of delivery to the Client. From that time and place, the Client shall be responsible for the safe keeping of the Products. The Client shall ensure that any risks are insured against.

8. Liability and claims

The Client shall be liable for any losses suffered by Elsevier as a result of the Client not following the instructions of Elsevier or not taking reasonable care with the Products. The Client acknowledges that it is obliged to make an insurance claim against the relevant forwarder in the event of the loss or damage of the Products. The Client shall make such claim within 10 working days of receipt of the Products.

9. Force majeure

The Client acknowledges that the above clauses may result in neither party fulfilling their obligations under the TC and in no event shall either party be liable for any direct or indirect loss or damage of whatever nature or kind suffered by the other party as a result of breaches in the performance of the TC. The Client acknowledges that it is responsible for obtaining appropriate insurance in respect of any loss or damage to the Products.

10. Advertising & Reprints

(a) If the Client chooses to desist from advertising any part of the Product, the Client shall give not less than 30 days’ written notice of this to Elsevier. The Client shall surrender to Elsevier any copy of such advertising at the Client’s expense prior to the 30th day of the notice. The Client shall not be entitled to desist from advertising any part of the Product (or receive a refund) in respect of any advertising inserted in any previously published edition of the Product unless evidenced by Elsevier for desistance.

11. Cancellations & Returns

(a) Any returns of the Products shall be subject to the relevant Elsevier company’s return policy. Any returns of Products will be at the Client’s expense. Reprints cannot be returned once these have been printed.

12. Compliance with laws

(a) The Client shall at all times during the term strictly comply with all applicable laws, regulations, orders, ordinances, codes, and standards and any regulatory or administrative order (including "Applicable Law" or "Law") relevant to its duties, obligations and performance under this Agreement, including, without limitation, the United States Code, Code of Federal Regulations, or any other law, rule or regulation of any national, state, local, provincial government or any other body or authority.

13. Cancellations & Returns

(a) Any returns of the Products shall be subject to the relevant Elsevier company’s return policy applicable to the product at the time of receipt. The return of such products will be the Client’s responsibility. Returns cannot be returned once they have been printed.

14. General

The Client shall not be entitled to assign the TC without the prior written consent of Elsevier.

(a) Any assignment by the Client of this TC or any of its parts to any third party, firm, company or person, if any provision of this TC found by any court, tribunal or government agency to be unfair or discriminatory, which shall be deemed void and the remaining provisions of this TC and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or partially enforcing any provision or (provisioning of any benefit) of the TC will not be construed as a waiver of any of its rights under the TC.
