Experimental Hematology

Overview

*Experimental Hematology* presents outstanding coverage of recent progress in stem cell biology, experimental stem cell transplantation, cytokine biology, and cellular immunology. This journal features original research articles and comprehensive reviews, providing a forum for the exchange of knowledge among experimental hematologists, clinical stem cell transplanters, and clinical hematologists. *Experimental Hematology* is one of the most widely read journals in the area of hematology and transplantation research. It also is of special interest to members of the biotechnology industry. The journal is available full-text online through www.exphem.org for subscribers, who receive access as part of their print subscription.

1. Applicability

These terms and conditions apply to all offers, proposals, and agreements made by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous understandings and agreements between the parties.

2. Offer and acceptance

Unless otherwise specified by Elsevier in writing, no order placed by the Client shall be deemed accepted until a written order acknowledgement of an order in issued by Elsevier. Elsevier shall be exclusively entitled to decide whether an order is accepted or not.

3. Prices and taxes

Unless otherwise agreed by Elsevier in writing, all prices are exclusive of taxes and any other charges which may by law or otherwise be incurred, including, but not limited to, any taxes, duties or levies.

4. Liability and claims

Elsevier shall not be liable to the Client for any indirect or consequential losses (including loss of profits, loss of business, business interruption, or lost business opportunities), regardless of the cause.

5. Intellectual property

Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products shall remain with Elsevier unless otherwise agreed in writing. The Client shall be solely responsible for obtaining all necessary licenses, permissions, and consents required by law for the use of any of Elsevier’s intellectual property.

6. Distribution

Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier reserves additional rights to permit the use of the Advertising Content by Elsevier for the purposes of this TC; (ii) the use, reproduction, distribution, modification, display or performance of the Advertising Content by Elsevier under the terms of this TC, or any part of such Advertising Content, in any media format or with any technology now known or later developed.

7. Force majeure

If, at the request of Elsevier, Elsevier shall be entitled to repackage and reship the Advertising Content or any part thereof as Elsevier deem appropriate, without liability for delay or failure to perform.

8. Audit

The Client shall allow Publisher's authorized representative at any reasonable time to have access to Client's premises (or any other location) for the purpose of inspecting Client's facilities, books and records to verify Client's compliance with the TC.

9. Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be in writing and addressed to the Client.

10. Compliance with laws

The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any such default in the performance of its obligations under the TC, Elsevier may terminate this TC if Elsevier determines, in its sole discretion, that the Advertising Content or any part thereof, in any media format or with any technology now known or later developed.

11. Experimental Hematology

If no dates are so specified, delivery/performance will be within a reasonable time.

12. Payment

Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which are necessary for the performance of the Services or the execution or performance of a contract provided that such payments are permissible under the Applicable Monies or anything of value to any commercial contact or Government Official for the purpose or intent to induce such commercial contact or Government Official to influence the Client.

13. Notice

The Client shall not be entitled to assign or subcontract or delegate any part of its obligations under the TC without Elsevier's prior written consent.

14. General

This order is subject to the exclusion of the application of any law or regulation or any rights of any third parties including, but not limited to, infringement rights, moral rights, trade secrets, or any other proprietary rights. The Client shall not be entitled to assign any right under the TC to any third party without Elsevier's prior written consent.

By continuing to use the website, you agree to the terms outlined in this document.
