Forensic Science International

Overview

Forensic Science International is an international journal publishing original contributions in the many different scientific disciplines pertaining to the forensic sciences. Fields include forensic pathology and histochemistry, chemistry, biochemistry and toxicology (including drugs, alcohol, etc.), biology (including the identification of hairs and fibres), serology, odontology, psychiatry, anthropology, the physical sciences, firearms, and document examination, as well as investigations of value to public health in its broadest sense, and the important marginal area where science and medicine interact with the law. Forensic Science International publishes: Original Research Papers, Review Articles Preliminary Communications, Letters to the Editor, Book Reviews, and Case Reports.

The journal covers all legal aspects of the general disciplines listed above, as well as specialist topics of forensic interest that are included in, or are related to, these disciplines, e.g.: Biochemical and chemical analyses, and the forensic application of advanced analytical, physical, chemical and instrumental techniques; Bitemark evidence; Battered child syndrome; Questioned documents; Ballistics, projectiles and wounds; Fingerprints and identification; Tool marks; Contact traces; Poisoning; Breath analysers; Accident investigation and mass disasters.

### Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be notified in writing to Elsevier no later than 30 days (or such shorter period as set forth in writing by Elsevier) from the date of delivery of advertising space. The Client shall be responsible for the payment of such fees. The amount charged will reflect the external or internal costs which have been incurred or committed up to and including the date of cancellation. Other than such fees, no cancellation is possible. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of cancellation. Other than such fees, no cancellation is possible.

### Liability and claims

Elsevier shall not be liable for any of the following losses which may arise by reason of any breach of this TC or any implied warranty, condition or other term, any representation or any duty of any kind incurred on Elsevier by operation of law [or] (ii) the loss of anticipated profits or expected future business; (iii) damage to reputation or goodwill; (iv) any damage, costs or expenses payable by Elsevier to any third party; (v) loss of any kind or any contract; or (vi) loss which was not foreseeable by the Client and Elsevier [or] (vii) any loss caused by an event of force majeure. Elsevier shall not be liable for any loss or injury caused by an event of force majeure, which includes but is not limited to: earthquakes, floods, fires, storms, hurricanes, extreme weather conditions, or other natural disasters. Elsevier shall not be liable for any loss or injury caused by an event of force majeure, which includes but is not limited to: earthquakes, floods, fires, storms, hurricanes, extreme weather conditions, or other natural disasters.

### Execution and modification of the order

But if the alterations requested are unacceptable, unless such changes are due to an event of force majeure. Elsevier can modify the order or reject the Client’s request for reprints of material that has not been published. If the Client or any other party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of its obligations. The Client is also responsible for ensuring that proposed advertising copy is received at Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the “Closing Date”). Where copy is received late or not at all, Elsevier shall take reasonable care but shall not be liable for any loss or damage thereto. Client is solely responsible for any legal liability arising out of or relating to any Client material or any use of the Client material by Elsevier. Client material includes all materials submitted to Elsevier for publication, including the text, graphics, images, and any other materials provided by the Client to Elsevier.

### Intellectual property

The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. In addition, Elsevier reserves the right, at any time, to remove any Client materials which are not consistent with Elsevier’s standards. In addition, Elsevier shall have the right, at any time, to remove any Client materials which are not consistent with Elsevier’s standards.
