Overview

Forensic Science International is an international journal publishing original contributions in the many different scientific disciplines pertaining to the forensic sciences. Fields include forensic pathology and histochemistry, chemistry, biochemistry and toxicology (including drugs, alcohol, etc.), biology (including the identification of hairs and fibres), serology, odontology, psychiatry, anthropology, the physical sciences, firearms, and document examination, as well as investigations of value to public health in its broadest sense, and the important marginal area where science and medicine interact with the law. Forensic Science International publishes: Original Research Papers, Review Articles Preliminary Communications, Letters to the Editor, Book Reviews, and Case Reports.

The journal covers all legal aspects of the general disciplines listed above, as well as specialist topics of forensic interest that are included in, or are related to, these disciplines, e.g.: Biochemical and chemical analyses, and the forensic application of advanced analytical, physical, chemical and instrumental techniques; Bitemark evidence; Battered child syndrome; Questioned documents; Ballistics, projectiles and wounds; Fingerprints and identification; Tool marks; Contact traces; Poisoning; Breath analysers; Accident investigation and mass disasters.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). The TC supersede any previous supply terms and conditions. For the purposes of the TC, "Elsevier" shall mean the company within the Elsevier group that is providing the Products or Services as set out on the relevant Elsevier order form. The TC shall apply to the Products and/or Services purchased by the Client under the TC and any modifications thereto, unless otherwise agreed between Elsevier and the Client. Nothing in the TC shall exclude or limit Elsevier's liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or services such a sale may be subject to additional licence terms.

2. Offer and acceptance/ Description
Each order for the Products and/or services from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commence performance of the Services. For all Client orders Elsevier are accepted subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, it shall be Elsevier's responsibility to ensure that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of no more than one identified institutional subscriber or as principal, if it is agent to perform orders in a representative capacity, for the account and use of no more than one identifiable individual subscriber for valid personal use. Client acknowledges that validation of this representation and warranty will cause irrevocable harm to Elsevier. Upon violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all repeat orders for Products and Services from Elsevier, including all actual orders that have not previously been properly identified by Client. Elsevier will discharge commercially reasonable efforts to comply with the requirements of the Products and Services agreed by both the principal in the order, including such things as formatting, print quality, delivery, logistics, rights and specifications and agreements caused by Elsevier or any descriptions or illustrations contained in Elsevier's catalogues or brochures are made for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for reject, nor the case may be, that may void the order.

Elisabeth Dittrich,

The parties agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this TC in the interpretation or enforcement thereof. The Client has entered into this TC in the knowledge that the liability of Elsevier to the Client is limited to the amounts paid by the Client to Elsevier in respect of the respective Products or Services.

NEITHER PARTY SHALL BE RESPONSIBLE FOR death OR PERSONAL INJURY EXCEPT THAT RESULTING FROM ITS OWN NEGLIGENCE OR WILFUL MISCONDUCT. ELSEVIER EXPRESSLY DISCLAIMS ANY LIABILITY FOR BREACH OF ANY IMPLIED OR EXPRESS WARRANTY OR FITNESS FOR A PARTICULAR PURPOSE. NOTHING IN THIS CONTRACT SHALL LIMIT THE CLIENT’S EXISTING LEGAL OR STATUTORY RIGHTS WHERE IT IS ACTING AS A CONSUMER. The parties agree that the United Nations Convention on Contracts for the International Sale of Goods shall not apply to this TC in the interpretation or enforcement thereof. The Client has entered into this TC in the knowledge that the liability of Elsevier to the Client is limited to the amounts paid by the Client to Elsevier in respect of the respective Products or Services.

2. Offer and acceptance/ Description
Each order for the Products and/or services from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commence performance of the Services. For all Client orders Elsevier are accepted subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier in writing, it shall be Elsevier's responsibility to ensure that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If client is an agent, it represents and warrants that it is purchasing the Products and Services from Elsevier for the account and use of no more than one identified institutional subscriber or as principal, if it is agent to perform orders in a representative capacity, for the account and use of no more than one identifiable individual subscriber for valid personal use. Client acknowledges that validation of this representation and warranty will cause irrevocable harm to Elsevier. Upon violation of this representation and warranty, Elsevier shall be entitled to immediately injunctive relief requiring Client to discontinue all repeat orders for Products and Services from Elsevier, including all actual orders that have not previously been properly identified by Client. Elsevier will discharge commercially reasonable efforts to comply with the requirements of the Products and Services agreed by both the principal in the order, including such things as formatting, print quality, delivery, logistics, rights and specifications and agreements caused by Elsevier or any descriptions or illustrations contained in Elsevier's catalogues or brochures are made for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for reject, nor the case may be, that may void the order.
