Journal of Clinical Lipidology

Overview

The *Journal of Clinical Lipidology* is published to support the diverse array of medical professionals who work to reduce the incidence of morbidity and mortality from dyslipidemia and associated disorders of lipid metabolism. The *Journal*’s readership encompasses a broad cross-section of the medical community, including cardiologists, endocrinologists, and primary care physicians, as well as those involved in the treatment of such disorders as diabetes, hypertension, and obesity. The *Journal* also addresses allied health professionals who treat the patient base described above, such as pharmacists, nurse practitioners and dietitians.

EELSEIVER TERMS AND CONDITIONS OF SUPPLY

1. Applicability

These terms and conditions shall apply to offers, proposals, and agreements made by and on behalf of and between Elsevier and the Client (as defined later in these Terms and Conditions) relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entirety of the agreement between the parties (the "TC"). They supersede any previous versions of the terms and conditions of Elsevier and shall form the entire agreement between the parties for the Term. In the event of any conflict between the provisions of this TC and any previous version of the terms and conditions of Elsevier, the provisions of this TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed in writing and signed by an authorized signature of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

2. Offer and acceptance/Description

All offers are made subject to availability and at Elsevier’s sole and absolute discretion. Subject to the order acknowledgment, this order may not be amended to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier delivers additional supplies, or otherwise modifies this TC, then the amount of the payment will be automatically increased to fully reflect such increase, but at a rate of:

3. Payment

The Client shall allow Publisher’s representative at any reasonable time to have access to Client’s premises (or such other premises as specified by Elsevier) and within the relevant time limit by or at Elsevier’s discretion, the Client’s facilities, books and records to verify Client’s compliance with the TC. Client shall pay all amounts due under the TC without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless Elsevier shall have a valid and enforceable抵扣项。Such amounts include, but are not limited to, any taxes, duties, fees, fines, penalties, interest, or other charges imposed by any governmental or administrative body. The Client shall not be entitled to claim any amount of interest on any amounts due to Elsevier.
