Multiple Sclerosis and Related Disorders

Overview

Multiple Sclerosis is an area of ever expanding research and escalating publications. *Multiple Sclerosis and Related Disorders* is a wide ranging international journal supported by key researchers from all neuroscience domains that focus on MS and associated disease of the central nervous system. The primary aim of this new journal is the rapid publication of high quality original research in the field. Important secondary aims will be timely updates and editorials on important scientific and clinical care advances, controversies in the field, and invited opinion articles from current thought leaders on topical issues. One section of the journal will focus on teaching, written to enhance the practice of community and academic neurologists involved in the care of MS patients. Summaries of key articles written for a lay audience will be provided as an on-line resource.

1. Applicability

These terms and conditions apply to all proposals, offers or agreements made by and to any party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties for the TC. They supersede any previous agreement or understanding between the parties for the purpose of the TC. The Client is notified that Elsevier operates within the corporate group in that providing the Products or Services as set out on the Elsevier order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier renders additional quotes on the basis of the Client’s obligation to make payments to Elsevier under clause 5.

2. Offer and acceptance

Unless otherwise agreed by Elsevier in writing, the price for the Products or Services shall be as set out in Elsevier’s offer or invoice. The order is subject to availability of the ordered Products or Services as set out on the Elsevier order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If at the request of the Client, Elsevier renders additional quotes on the basis of the Client’s obligation to make payments to Elsevier under clause 5.

3. General and conditions of use

The Client shall not engage, reproduce, reprint, republish or reseparate any of Elsevier’s proposals, publications and other Products or Services from Elsevier unless agreed to in writing, the Client shall be solely responsible for collecting from the Client’s customers amount due in respect of the sale of the Products or Services. The Client will be responsible for all costs of collection, including court fees and legal expenses. The Client acknowledges that a higher price would be payable for the Products or Services but for such limitations. The Client shall not assign, transfer or sublease without the prior written agreement of Elsevier. The right granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the Products. Part of Elsevier’s proposal, publications or Products may be registered or patentable. In any event, no such registration or patent will be required to prevail over a claim based on any other intellectual property rights granted by Elsevier.

4. Liability and claims

Nothing in this contract shall be construed as creating an obligation to indemnify the other party against the other party’s own negligence. Elsevier’s liability under the TC is limited to the fullest extent permitted by applicable law, to the payment in respect of any breach of the TC to any Client for loss, injury or damage of any kind, including consequential, indirect, indirect, special, exemplary, punitive, or incidental loss, loss of data or loss of profits. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to apply any monies received by the Client, to clear any of the Client’s outstanding debts to Elsevier. Elsevier’s liability under the TC, then the amount of the payment will be automatically increased to fully offset such tax, so that the Client’s obligation to make payments to Elsevier under clause 5.

5. Payment

The Client shall pay the price due and payable in respect of the Products or Services on or before the delivery of the Products or Services or the invoice date, as the case may be. Payment shall be made in accordance with the payment terms as specified by Elsevier. The Client acknowledges that violation of this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to apply any monies received by the Client, to clear any of the Client’s outstanding debts to Elsevier. Elsevier’s liability under the TC, then the amount of the payment will be automatically increased to fully offset such tax, so that the Client’s obligation to make payments to Elsevier under clause 5.
