Overview

Multiple Sclerosis is an area of ever expanding research and escalating publications. *Multiple Sclerosis and Related Disorders* is a wide ranging international journal supported by key researchers from all neuroscience domains that focus on MS and associated disease of the central nervous system. The primary aim of this new journal is the rapid publication of high quality original research in the field. Important secondary aims will be timely updates and editorials on important scientific and clinical care advances, controversies in the field, and invited opinion articles from current thought leaders on topical issues. One section of the journal will focus on teaching, written to enhance the practice of community and academic neurologists involved in the care of MS patients. Summaries of key articles written for a lay audience will be provided as an on-line resource.

1. Applicability

These terms and conditions shall only apply to supplies of, proposals, agreements made and supplies of any kind or part thereof by ("the Client") relating to the products and/or services of ("the Products and/or Services") and, along with the relevant order acknowledgegement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. The Client is responsible for reading and understanding the TC prior to placing any order. All variations to the TC shall be in writing signed by an authorized signatory of Elsevier. Where the TC are not applicable, the relevant agreement shall prevail. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC will prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation.

2. Client and its Affiliates

Where Products and Services are delivered to or on behalf of third party product or service such may be subject to additional terms.

3. Offer and acceptance/Descriptions

Unless otherwise agreed by Elsevier in writing, the prices quoted are for the Products or services listed in the TC. Elsevier reserves the right to modify the price quoted with respect to any Products or services unless otherwise agreed in writing. The Client may accept the offer only by placing an order with Elsevier. No acceptance by the Client shall be deemed effective until the Client sends a written order to Elsevier, appropriately signed and sent to Elsevier at the address specified in the TC or as otherwise agreed in writing by the parties.

4. Payment

Payment will be made in accordance with the payment terms quoted in the TC. Payment of invoices must be made in the currency stipulated in the TC. Otherwise, payment must be made in such currency as is agreed in writing by the parties. All payments made by a Client shall be made free of any withholding tax or other charges.

5. Delivery

Delivery of the Products shall be made to the address stipulated in the TC. Any delivery dates quoted in the TC are estimates only and Elsevier shall not be liable for any delay in delivery or for the non-delivery of the Products in whole or in part.

6. Risk of loss and ownership

Legal and beneficial title in the Products shall pass to the Client on the receipt of the Products. The Client shall be responsible for the cost of consigning the Products to its place of business or use, if any. The Products shall remain at the Client’s risk until receipted for by the Client.

7. Intellectual property

The Client acknowledges that All intellectual property rights, including without limitation, copyright in the Products and/or services Materials and other rights, shall remain the property of Elsevier and its licensors. The Client shall not use the Products or Services, except for its own internal business purposes. The Client shall not use or disclose the Products or Services except in accordance with this Agreement. The Client shall not alter, assign, loan, distribute, copy, sell, publish, broadcast, transmit, reproduce, or otherwise use the Products or Services, except as permitted under this Agreement.

8. Compliance with laws

The Client agrees to comply with all applicable laws, regulations, statutes, ordinances, and other rules or codes of conduct in all respects. The Client shall be responsible for all liabilities, claims, losses, suits, costs, expenses or penalties of any kind incurred in connection with the Client's use of the Products or Services.

9. General

The Client shall not breach, violate, reproduction, plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it divert or indirectly facilitate or assist any other party to engage in such activities. The Client shall promptly notify Elsevier of any breach of any privacy, reproduction, plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers any amounts due to the Client and for ensuring that all amounts due are remitted and paid to Elsevier.

10. Advertising & Reprints

Any reprints requested by the Client and not included in the specimen must be ordered at the time of placing the order and will be charged at the current reprint rate. The Client shall pay for all reprints ordered directly from Elsevier. No reprints will be delivered to the Client unless paid for in advance. If the Client requests reprints to be delivered directly to a third party, the Client shall be responsible for payment in full, including any sales taxes, duties, or other charges.

11. Legal rights

Elsevier shall be entitled to terminate this Agreement in whole or in part if a Client shall, directly or indirectly, make, use, sell, distribute, or license any Products in the United States without obtaining a license from Elsevier.

12. Force majeure

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, governmental prohibition, or appropriation or other causes beyond the control of a party, such party is unable to perform in whole or in part its obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is unable to perform.

13. Limitation of liability

To the maximum extent permitted by relevant laws Elsevier expressly excludes any liability for loss or damage which may arise out of or in connection with the use of the Products or Services, excepting only if the loss or damage arises from Elsevier’s negligence or fraud. Elsevier shall not be liable for any indirect, special, or consequential loss or damage.

14. General

This Agreement contains the entire understanding between the parties in connection with the Products and Services and supersedes all previous representations and understandings. The Client and Elsevier each hereby acknowledge that they have not entered into this Agreement in reliance on any representation or warranty, express or implied, made by any other party.

15. Indemnification

The Client shall indemnify, defend and hold Elsevier harmless from and against any and all claims, liabilities, actions, costs, expenses, losses, judgments, damages, and penalties of any kind, nature, or description which may arise from, result from, or be incurred by the Client's use, or the use by any third party on behalf of the Client, of the Products or Services.

16. Governing law and enforcement

This Agreement shall be governed by the laws of the United States of America and shall be interpreted in accordance with the laws of the United States of America. Any controversy or dispute arising out of or relating to this Agreement shall be settled by arbitration in accordance with the National Arbitration Rules of the American Arbitration Association. The arbitration shall take place in New York, New York, and the decision of the arbitrator shall be final and binding on the parties.

17. Audit

Elsevier shall have the right to conduct an audit of the Client's financial records and all relevant documentation and records. The Client shall, upon request of Elsevier, provide Elsevier with access to all such records and information as Elsevier reasonably determines necessary to verify the Client's compliance with this Agreement.

18. Amendments

No amendment to this Agreement shall be valid unless in writing and signed by an authorized signatory of Elsevier. Any modification or supplement to this Agreement which is not in writing and signed by an authorized signatory of Elsevier shall be void.

19. Assignment

The Client shall not assign or delegate this Agreement or any part thereof to any third party without the prior written consent of Elsevier. Elsevier may assign this Agreement to any of its affiliates or subcontractors or to any third party at any time without prior notice or consent from the Client.

20. Notices

Notices shall be given to the Client and Elsevier in accordance with the latest written notice of address given by the Parties.

21. Severability

If any provision of this Agreement is held invalid or unenforceable, any other provision of this Agreement shall remain in effect.

22. Entire Agreement

This Agreement constitutes the entire agreement between the parties and supersedes all previous communications, representations, and understandings and agreements relating to the subject matter hereof. This Agreement may not be amended or modified except by a written agreement signed by an authorized signatory of Elsevier.
