Medical Dosimetry

Overview

*Medical Dosimetry* is the key source of information on new developments for medical dosimetrists. Practical and comprehensive in coverage, the journal features original contributions and review articles by medical dosimetrists, oncologists, physicists, dosimetrists and radiation therapy technologists on clinical applications and techniques of external beam, interstitial, intercavitary and intraluminal irradiation in cancer management. Each issue also presents a review of new literature, including summaries of current articles of interest to medical dosimetrists, as well as book reviews, letters to the Editor, news on job opportunities and a calendar of upcoming events.

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and by any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties for the "TC". They supersede any previous understandings, communications or representations made by the Client to the Coroner or any of its duly authorized representatives.

2. Amendment

No variation to the TC and any representations about the Products and Services shall have effect unless expressly agreed in writing and signed by an authorized representative of Elsevier. Nothing in the TC will exclude or limit Elsevier’s Liability for fraudulent misrepresentation.

3. Execution and modification of the order

If the Client requests the addition of the CC under acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. At the request of the Client, Elsevier reserves additional time to prepare and deliver the added CC.

4. Prices, taxes and currencies

Unless otherwise agreed by Elsevier in writing the prices payable for the Products and Services contained in the TC shall be in the currency stated by Elsevier, at Elsevier’s sole discretion.

5. Payment

All payments due under the TC shall be made free of any indirect or direct taxes, duties or duties, fees, levies, or similar charges of any nature. The Client shall pay all taxes, levies, or similar charges of any nature that are applicable to the TC.

6. Distribution

The Client shall not be entitled to assign the CC or any part of it without the prior written consent of Elsevier. Elsevier reserves the right to cancel the order for that advertisement, if the alterations requested are unacceptable, unless such changes are made in writing by the Client and approved by Elsevier in writing and prepayment is made.

7. Liability and claims

The Client shall not be entitled to apply any monies received by the Client, to clear any of the Client’s outstanding debts to Elsevier.

8. Force majeure

Neither party’s performance under the TC will be deemed to be in default for any failure to perform due to acts of God, war, riots, wars, insurrections, revolutions, strikes, or any other force or event beyond the reasonable control of the party for which such Force Majeure is claimed.

9. Personal and property rights

The Client shall be solely responsible for the protection and preservation of the Products and the Client shall be solely responsible for all costs incurred in connection with the protection and preservation of the Products.

10. Reprints

The Client shall be entitled to recover payment for the copies of the Products notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. The Client shall not be entitled to reproduce the Products for any other purpose except as set forth above.

11. Compliance with laws

The Client shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or such other premises as specified by Elsevier) and within the relevant time limit set by Elsevier (the “Closing Date”). Where terms is used in the Client is not at all, or Elsevier will endeavor to destroy such evidence promptly. The Client shall be solely responsible for the protection and preservation of the CC and the Client shall be solely responsible for all costs incurred in connection with the protection and preservation of the CC.

12. Copyright and other intellectual property rights

The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate or assist any party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Product by any third. The Client shall be solely responsible for collecting from its customers amounts due at respect of the sale of the Product, exercising control and similarly selling all of its or less revenues from any unallocated amounts. Delay or failure in obtaining such payments will not affect the provisions of this TC and the effects of the such event to the extent of the event.

13. Publication

The Client shall be responsible for providing approved advertising copy to Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the “Closing Date”). Where terms is used in the Client is not at all, or Elsevier will endeavor to destroy such evidence promptly. The Client shall be solely responsible for the protection and preservation of the CC and the Client shall be solely responsible for all costs incurred in connection with the protection and preservation of the CC.

14. Auditor of records

The Client shall be responsible for the protection and preservation of the Products and the Client shall be solely responsible for all costs incurred in connection with the protection and preservation of the Products.

15. Audit

Audit shall allow Publisher’s authorized representative at any reasonable time to have access to Client’s premises (or such other premises as specified by Elsevier) and within the relevant time limit set by Elsevier (the “Closing Date”). Where terms is used in the Client is not at all, or Elsevier will endeavor to destroy such evidence promptly. The Client shall be solely responsible for the protection and preservation of the CC and the Client shall be solely responsible for all costs incurred in connection with the protection and preservation of the CC.
