Maturitas

Overview

Maturitas is an international multidisciplinary peer reviewed scientific journal of midlife health and beyond publishing original research, reviews, consensus statements and guidelines. The scope encompasses all aspects of postreproductive health in both genders ranging from basic science to health and social care. Maturitas will publish in the following areas:

- predictors, effects and management of chronic diseases
- sex steroid deficiency in both genders
- epidemiology, health and social care
- therapeutic advances
- complementary and alternative medicines

We offer Fast Track publication for clinical trials and research articles which present ground-breaking results that justify rapid dissemination. Articles accepted through this route can expect less than 8 weeks editorial time from submission to publication online. Articles submitted for this route will be checked by the Editor-in-Chief to determine if the criterion for fast publication has been met; if not, articles will be redirected to the normal route of category article.

1. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made upon and by any party to the third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersed any previous agreements that may have existed prior to the terms and conditions of this TC. The purpose for this TC for advertising is to acknowledge that, in the order acknowledged, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If at the request of Elsevier, Client requests additional space, including time extension beyond the space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space reserved. The products and services are agreed by both parties in the relevant order, including such things as format, printing processes, technical details, size and of address, view, weights and the like. All drawings, descriptive matter, specifications and advertising by Elsevier or its employees or any illustrations contained in Elsevier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the description and Services described therein. They will form part of the TC. The publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for requesting delivery or, as the case may be, modifying the agreed price.

2. Offer and acceptance/ Description
Each order for the Products and Services by the Client shall be deemed to be an offer by the Client to purchase Elsevier for the TC for the purposes of this TC. The Client shall be deemed to have accepted all notices of delivery of the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud or fraudulent misrepresentation, as nothing in the TC will exclude or limit Elsevier's Liability for death or personal injury caused by Elsevier's negligence. If any provision of this TC is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not be affected by such invalidity or unenforceability. If any provision of this TC is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not be affected by such invalidity or unenforceability.

3. Execution and modification of the order
No Order placed by the Client shall be deemed accepted unless a written acknowledgment of order is issued by Elsevier or Elsevier's duly authorized agent. Until such written acknowledgment is received, any changes shall not constitute a reason to modify the price or terms accepted by the Client in written acceptance. All product orders are accepted subject to availability of the ordered Products or Services. Elsevier reserves the right to withhold supply of the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. This the Client shall only be responsible for collecting from its customers the amount due in the TC. All queries regarding the amount invoiced or otherwise due. All financial transactions must be settled in the currency of the applicable Elsevier invoice. The Client shall deliver all applicable deliverables under the TC without deduction or abatement whatsoever, and so as to ensure that all the elements of a party's Performance are performed without any delay and so as to ensure that all the elements of a party's Performance are performed without any delay.

4. Copyright: An order for the Products or any part of the order acknowledged may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If at the request of Elsevier, Client requests additional space, including time extension beyond the space closing date, but in the event that any cancellations are made after such date, Elsevier shall be entitled to charge the full cost of the space reserved. The products and services are agreed by both parties in the relevant order, including such things as format, printing processes, technical details, size and of address, view, weights and the like. All drawings, descriptive matter, specifications and advertising by Elsevier or its employees or any illustrations contained in Elsevier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the description and Services described therein. They will form part of the TC. The publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for requesting delivery or, as the case may be, modifying the agreed price.

5. Payment
The then current price for the Products or Services (or any part thereof) shall be payable by the Client in accordance with the terms and conditions of this TC and the TC shall not be void or avoided by reason of any delay in payment by the Client. Each order for the Products and Services by the Client shall be deemed to be an offer by the Client to purchase Elsevier for the TC for the purposes of this TC. The Client shall be deemed to have accepted all notices of delivery of the Products or Services as set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are proposed by the Client, these shall apply and the TC shall prevail. Any variation to the TC and any representations about the Products and Services shall have no effect unless expressly agreed in writing and signed by an authorised signature of Elsevier. Nothing in the TC will exclude or limit Elsevier's Liability for fraud or fraudulent misrepresentation, as nothing in the TC will exclude or limit Elsevier's Liability for death or personal injury caused by Elsevier's negligence. If any provision of this TC is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not be affected by such invalidity or unenforceability. If any provision of this TC is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not be affected by such invalidity or unenforceability. If any provision of this TC is held to be invalid or unenforceable in any respect, the validity and enforceability of the remaining provisions shall not be affected by such invalidity or unenforceability.
