Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability

These terms and conditions shall apply to the use of publications, products, and other services made available by Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire understanding between the parties (the "TC"). These terms supersede any previous understandings or agreements between the parties.

2. Offer and acceptance

These terms and conditions shall apply to the sale of the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or [further identify Elsevier deliver the products or issue the invoice to the Client or confirm the performance of the Services for the Client. All products provided are subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier in writing, Customer represents and warrants that it is purchasing products from Elsevier for its business use and not and not in any manner for resale or for the benefit of, or on behalf of, any third party.

3. Execution and modification of the order

Any modifications to the terms for the products or service description, budget or schedule, unless in writing acknowledged by Elsevier, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional services which are not contemplated in the TC, the parties shall negotiate the terms and conditions under which such additional services will be provided. The Client shall be responsible for providing all reasonable information necessary to make the modifications.

4. Payment

5. Payment

Payment does not include a payment of reasonable and bona fide expenditures, such as travel or lodging expenses, which the Client is reimbursing to Elsevier, which are allocable to the covered products and services incurred in connection with the provision of the Products and Services and agreed by both parties in the relevant payment, including but not limited to: fees, costs, charges, and expenses, including reasonable legal fees and expenses incurred by Elsevier, that are payable under the TC for the performance of the Services, or the execution or performance of a contract provided that such payments are permissible under the Applicable Laws.
