Overview

The *Journal of Dentistry* appeals to a substantial international readership with the desire to keep up to date with research and developments occurring in the field of dental science, and explains the relevance of these innovations to the contemporary practice of clinical dentistry. The journal provides clinicians, scientists and students of dentistry with a comprehensive bi monthly periodical publishing original research papers, reviews and leaders, and supportive material including a calendar. Topics covered in the journal include management of dental disease; long term clinical trials; evaluation of dental equipment; new experimental techniques; epidemiology and oral health; dental biomaterials science; restorative dentistry; periodontology; endodontology; operative dentistry; prosthodontics and paediatric dentistry, including orthodontics.

2. Offer and acceptance/ Description

Each order for the sale of the Products and Services from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgment of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All order products are accepted subject to availability of the ordered Products. Unless otherwise expressly agreed by Elsevier, in no event shall the failure by Elsevier in purchasing or delivering the Products from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the agent is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use. Personal acknowledgments that represent this representation and warranty will cause irreparable harm to Elsevier. Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to discontinue all recipients of the TC and any part of it to any person, firm or company. If any provision of the TC is found at any court, tribunal or regulatory body as being void or unenforceable, the remaining provisions of the TC and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or otherwise enforcing any provision (or prosecuting any breach) of the TC will not be construed as a waiver of any of its rights under the TC.

6. Distribution

The Client shall not engage in, nor reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any reproduction, reprints, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and solely bearing all of its own losses resulting from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under the TC.

1. Applicability

Monthly averages based upon the period of July 2022 to June 2023. Any disputes between the Client and Elsevier shall be subject to the laws and courts of the United States of America and shall be governed by the laws of the State of New York. Effective January 1, 2024, the effective rate card shall replace the old rate card.

7. Intellectual property

Imposed on Elsevier by operation of law: (a) any loss of anticipated profits or expected future business; (b) damage to reputation or goodwill; (c) any damages, costs or expenses payable by Elsevier to any third party; (d) loss of any order or contract; or (e) any loss that was not foreseeable by the Client and Elsevier when the TC was entered into or (ii) that could not have been avoided by reasonable actions taken by Elsevier. The Client agrees that the Client shall not assign, transfer or sublicense without the prior written permission of Elsevier. The Client shall not acquire any right, title or interest in or to the Products except as expressly granted by Elsevier.

14. Indemnification

Client agrees to indemnify Elsevier and to hold Elsevier harmless from any and all losses, claims, suits or actions, including reasonable legal fees and expenses incurred by Elsevier, arising out of or related to the Advertising Content, including but not limited to, libel, invasion of privacy, infringement of copyright or trademark rights, or violation of any other right or rights of any person or entity, and shall provide Elsevier with prompt written notice of any such claims, suits or actions.

8. Liability and claims

The Client shall be liable only for retention of any such items and for the cost of such retention. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate for time of delivery/performance and delivery/performance shall not be made of the essence by notice. If no dates are so specified, delivery/performance will be within a reasonable time.

5. Payment

Failure or delay by Elsevier in exercising any of its rights under the TC will not be construed as a waiver of any of its rights. Clause 13.7 shall not apply to any indemnification for breach of this TC and any such indemnification shall be governed by the laws of the State of New York.

4. Prices, terms and currency

Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be an estimate for time of delivery/performance and delivery/performance shall not be made of the essence by notice. If no dates are so specified, delivery/performance will be within a reasonable time.

13. Cancellations & Returns

In the event that any bank on the part of the Client or any bank on the part of Elsevier is directed to do so by the relevant bank, excluding any fees charged by Elsevier for such instructions. The Client shall indemnify Elsevier for any costs or expenses incurred by Elsevier in connection with any cancellation or return of a Product or Service, including any costs or expenses incurred by Elsevier in connection with the handling of a returned Product or Service, and shall pay Elsevier within a reasonable time on receipt of invoice for all such costs or expenses.

12. Termination

If the alterations requested are unacceptable, unless such changes are due to an event of force majeure. Elsevier can terminate the Agreement at any time during the term of this Agreement, including the entire Series and the entire Issue, for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejection of the Issue, as the case may be, or for offsetting the fixed price.

2. Offer and acceptance/ Description

 Elsevier will use reasonable commercial efforts to comply with the descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and kind of address file, weights and the like. All drawings, descriptive matter, specifications and advertising created by Elsevier or any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued as published for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejection of the Issue, as the case may be, or for offsetting the fixed price.

The Client will be solely responsible for its own cost for completing any foreign-exchange-related procedures in the said territory that are necessary to obtain payment.

6. Distribution

The Client shall not engage in, nor reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any reproduction, reprints, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and solely bearing all of its own losses resulting from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under the TC.

11. Force majeure

If by reason of labor dispute, strikes, or inability to obtain labor or materials, fire or other action of the elements, accidents, power or telecommunications failure, customs delays, governmental restrictions or appropriation or other causes beyond the control of the party, such party is unable to perform in whole or in part in any of the obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is thereby unable to perform, and such inability to perform shall not make such party liable to any other party. The subject matter of the Products and Services from Elsevier, including all actual recipients that have not been previously properly identified by Client. Elsevier shall use reasonable commercial efforts to comply with the descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and kind of address file, weights and the like. All drawings, descriptive matter, specifications and advertising created by Elsevier or any descriptions or illustrations contained in Elsevier's catalogues or brochures are issued as published for the sole purpose of giving an approximate description of the Products and Services described in them. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for rejection of the Issue, as the case may be, or for offsetting the fixed price.

The Client will be solely responsible for its own cost for completing any foreign-exchange-related procedures in the said territory that are necessary to obtain payment.

6. Distribution

The Client shall not engage in, nor reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any reproduction, reprints, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and solely bearing all of its own losses resulting from any uncollected amounts. Delay or failure in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under the TC.

11. Force majeure

If by reason of labor dispute, strikes, or inability to obtain labor or materials, fire or other action of the elements, accidents, power or telecommunications failure, customs delays, governmental restrictions or appropriation or other causes beyond the control of the party, such party is unable to perform in whole or in part in any of the obligations set forth in this TC, then such party shall be relieved of those obligations to the extent it is thereby unable to perform, and such inability to perform shall not make such party liable to any other party. The subject matter of the Products and Services from Elsevier, including all actual recipients that have not been previously properly identified by Client. Elsevier shall use reasonable commercial efforts to comply with the descriptions of the Products and Services agreed by both parties in the relevant order, including such things as format, printing processes, technical design, size and kind of address file, weights and the like.
