Where Products are sold to the Client that contain third party software such a sale may be subject to additional licence terms.

2. Offer and acceptance/ Description

Each offer by Elsevier to supply the Products and Services shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All order products are accepted subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier, it is agreed that it is purchasing products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If the Client is an agent, it represents and warrants that it is purchasing the Products or Services from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if the Client is an agent on the order is requested to personal subscriptions in a representative capacity, for the account and use of no more than one identified individual subscriber for personal

Upon any violation of this representation and warranty, Elsevier shall be entitled to immediate injunctive relief requiring Client to disclose all recipients of the Products and Services from Elsevier, including all actual recipients that have not previously been identified by Client. Elsevier shall use commercially reasonable efforts to comply with the provisions and Services agreed by both the parties in this agreement, including such things as formatting, production, technical design, size and kind of address, weights and the like. All drawings, descriptive matter, specifications and advertising issued by Elsevier or any descriptions or illustrations contained in Elsevier’s catalogues or brochures are issued only for the sole purpose of giving an approximate description of the Products and Services described therein. They will not form part of the TC. Publishing errors, including, but not limited to, typographical errors, having no significant effect on the editorial content or design characteristics of the Products and Services, cannot be considered a reason for return or exchange, as the case may be, of the Products and Services.

4. Price, terms and currency

Unless otherwise agreed by Elsevier in writing the prices for the Products and Services shall be set out in Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as applicable. Where applicable, Client shall provide to Elsevier Client’s VAT registration number or other evidence of tax exemption at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the payment for the Services, the Client shall bear the cost of such tax.

The Client shall be entitled to recover payment for the copies of the Product notwithstanding that ownership of any of the copies of the Product has not passed from Elsevier. For the avoidance of doubt no intellectual property rights in any Elsevier Products shall transfer to the Client. Products shall be at the Client’s risk as delivered. The Client shall make all payments due under the TC without any deduction whether by way of set off, counterclaim, discount, abatement or otherwise unless Elsevier has a valid court order requiring an amount equal to such deduction to be paid by the Client to Elsevier. From the due date of the invoice to the date of payment in full, interest at the rate of 5% (5%) may be charged to the Client on a monthly basis for any sums outstanding, together with any collection fees incurred by Elsevier. If the Client wishes to dispute any invoice (or part), the Client shall, as soon as reasonably practicable, but no later than the due date of such invoice, send full details of such dispute to Elsevier in writing. The Client shall remain liable for full payment until such dispute has been resolved, but the Client shall only be required to pay for the amount that is both disputed and finally upheld by Elsevier.
