EVEI Services, Terms and Conditions of Supply

1. Applicability
These terms and conditions shall apply to all proposals, offers, agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entirety of the agreement between the parties (the "TC"). They supersede any previous agreements between them.

2. Offer and acceptance

(a) Each order placed by the Client for the Products and Services subject to the TC has no effect unless accepted by Elsevier in writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exonerate Elsevier's Liability for fraudulent inducements.

(b) Where products are subcontracted, no third party product or service is subject to the additional terms.

3. Execution and modification of the order

(a) Any modifications to the agreed product or service description, schedule or budget, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier requests additional information in connection with, or makes a request for, the delivery of the TC, Elsevier shall not be liable for any delay in the fulfilment of the TC.

(b) The TC is subject to prevailing prices at the time of its placement, whether these be set forth in the TC or in a previously submitted estimate or quotation.

(c) The Client shall not be entitled to charge or withhold payment for the full cost of any advertising or display carried in the event of a representation or warranty violation of the TC.

4. Prices, taxes and currencies

(a) Unless otherwise agreed by Elsevier in writing, the prices and tax burden for the Products and Services in the Client's order shall be as stated in Elsevier's current price list for the Products and Services. Additional services related to the Products and Services shall be invoiced at the then-prevailing prices.

(b) Except as otherwise stated in the TC, payment for Products and Services shall be made in accordance with the Client's normal accepted terms, unless otherwise agreed in writing between Elsevier and the Client.

(c) The Client is responsible for paying all taxes, duties, levies, tolls, fees, charges, and other sums which are or which become due to Elsevier from the Client or any third party.

5. Payment

(a) Payment shall be made within thirty (30) days of the invoice date in the currency stated therein. Exchange fees and any other charges incurred in the process of the transfer of funds to Elsevier will be borne by the Client.

(b) Payment shall be made in accordance with the provisions of the TC, and, unless agreed in writing between Elsevier and the Client, in the currency stated therein.

(c) The Client shall indemnify Elsevier from and against all losses, damages, costs, expenses, and charges (including reasonable attorney's fees and costs) related to any claim or action brought by any person or entity to enforce the payment of any amount due to Elsevier under the TC.

6. Distribution

(a) The Client shall not convert, reproduce or publish any of the Products in any other manner, unless so permitted in writing by Elsevier, and shall not directly or indirectly facilitate any other party to engage in such activities.

(b) Elsevier shall have the right to use the Client's name and any other information provided by the Client as part of its marketing activities.

7. Warranty

(a) Elsevier warrants that the Products will be of a quality, in the type, and size specified in the order or the TC, as the case may be, but in either case, to the best of Elsevier's knowledge and belief, and that they will conform to the description and be fit for the purposes for which they are offered.

(b) Elsevier’s liability, whether in contract, tort, or otherwise, shall be limited to the refund of the purchase price and/or replacement of the Products or Services if the Client returns them to Elsevier within the applicable return period, as specified in the TC.

8. Liability and claims

(a) THE MAXIMUM EXTENT PERMITTED BY LAW ELSEVIER IS NOT LIABLE FOR ANY LOSS OR DAMAGE, WHETHER DIRECT OR INDIRECT, WHICH INCURS TO ANY PARTY OR ITS APPOINTEE AS A RESULT OF ANY BREACH OR STOPPAGE OF PERFORMANCE OF ELSEVIER IN THE PERFORMANCE OF ANY SERVICES.

(b) IN NO EVENT WILL ELSEVIER OR ANY OF ITS DIRECTORS, ADVISORS, OR OFFICERS BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, CONSEQUENTIAL, OR PUNITIVE DAMAGES ARISING OUT OF OR RELATING TO THE PRODUCTION, SALE, DISTRIBUTION, DISPLAY, USAGE, OR USE OF THE PRODUCTS OR SERVICES, WHETHER SUCH DAMAGES RELATE TO LOSS OF PROFIT, REVENUE, USE, OR DATA, WHETHER SUCH DAMAGES ARE CAUSED DIRECTLY OR INDIRECTLY, EVEN IF ELSEVIER IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

(c) ELSEVIER does not warrant that the Products or Services will meet the Client’s requirements or that the operation of the Products or Services will be uninterrupted or error-free.

9. Cancellations & Returns

(a) Elsevier may cancel any part of the TC at any time, but such cancellation shall not relieve the Client of any liability or obligation incurred prior to the termination.

(b) The Client shall provide Elsevier with all relevant information and documentation reasonably required by Elsevier to perform such audit.

12. Termination

(a) Either party may terminate the TC for any reason upon written notice to the other party.

13. Governing Law and Jurisdiction
