1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party to which (the “Client”) relating to the products and/or services of Elsevier (the “Products and/or Services”) and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the parties (the “TC”). These terms supersede any previous agreement between the parties (the “Prior Agreement”).

2. Offer and acceptance/ Description

Each order for the Products and Services by the Client to Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or [Await for Elsevier delivery]. Elsevier shall have the right to refuse any order or to accept any order in whole or in part. The Client shall be solely responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other form as specified by Elsevier) and within the relevant deadline set by Elsevier (the “Closing Date”).

3. Cancellations & Returns

If the Client cancels an order either fully or partially, a cancellation fee may be charged. All cancellations must be made in writing at least 60 days before the time of publication. This fee will be calculated to cover any external or internal costs which have been incurred or committed up to and including the date of cancellation. The Client will be solely responsible for collecting from the Client’s obligation to make payments to Elsevier under clause 5.

4. Price, taxes and currency

Unless otherwise agreed by Elsevier, in writing the prices for the Products and Services are Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless otherwise agreed in writing, and shall be exclusive of all taxes, import duties or other taxes imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as appropriate. Where applicable, Client shall provide Elsevier of Client’s VAT registration number or other tax identification number, together with details of any tax exclusion or other entitlement to relief. Elsevier shall be entitled to add value added tax (VAT) to any invoice if it is applicable, and shall include a breakdown of the VAT charged on each invoice. Without prejudice to the generality of the foregoing provision, where the Client is not registered for VAT, it must inform Elsevier that this is the case.

5. Liability and claims

If by reason of labor dispute, strikes, inability to obtain labor or materials, fire or other action of the elements, or any other cause or causes beyond the control of a party, such party is unable to perform in whole or in part any of its obligations under the TC, then neither party shall be liable to the other for any loss or damage caused by such inability, whether or not such inability is caused by any breach on the part of Elsevier; AND (ii) NEITHER PARTY SHALL BE RESPONSIBLE FOR death OR PERSONAL INJURY OR LOSS OF OR DAMAGE TO PERSONAL PROPERTY OR BUSINESSimei.
