Journal of Neonatal Nursing

Overview

The Journal of Neonatal Nursing is a research-based journal for all professionals concerned with the care of neonates and their families, both in hospital and the community. It aims to support the development of the essential practice, management, education and health promotion skills required by these professionals.

Journal of Neonatal Nursing will provide a forum for the exchange of ideas and information between the range of professionals working in this field; promote co-operation between these professionals; facilitate partnership care with families; provide information and informed opinion; promote innovation and change in the care of neonates and their families; and provide an education resources for this important rapidly developing field.

ELSEVIER TERMS AND CONDITIONS OF SUPPLY

2. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of the TC, Elsevier shall mean the company within the Elsevier group that is providing the Products or Services as set out on the Elsevier order acknowledgement or invoice. The "Products" and "Services" as used in the TC shall have the meaning ascribed to them in the TC and an "order" shall mean a purchase order placed by the Client.

3. Execution and modification of the order
Every order is accepted by Elsevier on the written form submitted by the Client or by means of acceptance or confirmation by Elsevier. The Client shall not be entitled to any rights arising from any alleged breach of contract or any claim for damages without receipt of a written order acknowledgement from Elsevier. No guarantee shall be provided to the Client upon request. Reprints cannot be returned once these have been printed.

4. Prices, taxes and currencies
Prices and other charges payable shall be expressed in the currency specified in the order and shall be payable to Elsevier by the Client in that currency. All amounts due shall be paid in full within the payment terms agreed by the parties. Any account over 30 days will attract interest at an annual rate in excess of the base rate of interest applicable to such an account as agreed by the parties. If the Client is seeking to pay by purchase order, the Client shall provide a purchase order number for such transactions. If the Client is paying in US dollars, the Client shall provide a valid credit card number and expiry date for such transactions. Elsevier reserves the right to apply any applicable taxes, duties or other charges to the total payable. The price is exclusive of all other taxes, duties or other charges which may be applicable and which are payable to the Client by the Client. The Client shall be liable for all costs, charges and other sums payable directly or indirectly by Elsevier and which are recoverable by Elsevier in respect of any delay or non-payment by the Client. Delays or failures in obtaining such payments shall not affect the Client's obligation to make payments to Elsevier under clause 5.

5. Payment
Unless otherwise agreed by Elsevier in writing, payment shall be made within thirty (30) days of the invoice date to the Client's bank account. Time for payment shall be of the essence. Elsevier may, at its sole discretion, request payment in advance of delivery. The Client shall be liable for all costs, charges and other sums payable directly or indirectly by Elsevier in respect of any delay or non-payment by the Client. Delays or failures in obtaining such payments shall not affect the Client's obligation to make payments to Elsevier under clause 5.

6. Liability and claims
To the MAXIMUM EXTENT PERMITTED BY LAW, ELSEVIER DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED AND HEREBY LIMITS ALL LIABILITY, EITHER TO THE CLIENT OR ANY THIRD PARTY, WITH RESPECT TO THE PRODUCTS AND SERVICES TO THE INVOICE VALUE OF THE PART OF THE TC TO WHICH THE LIABILITY ARISES. TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS ELSEVIER'S ENTIRE LIABILITY FOR ANY OTHER LOSS IMPUTABLE TO IT SHALL IN ANY EVENT BE LIMITED TO THE INVOICE VALUE OF THE PART OF THE TC TO WHICH THE LIABILITY ARISES. TO THE MAXIMUM EXTENT PERMITTED BY RELEVANT LAWS ELSEVIER EXCLUDES ANY LIABILITY FOR BREACH OF ANY IMPLIED OR EXPRESS WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NOTHING IN THIS CONTRACT SHALL LIMIT THE CLIENT'S EXISTING LEGAL OR STATUTORY RIGHTS WHERE THIS CONTRACT IS A CONTRACT FOR SERVICES

7. Jurisdiction
Any dispute or claim arising out of or relating to or in connection with this TC or any breach of this TC shall be subject to the exclusive jurisdiction of the courts of the Client's country of incorporation or the country in which the Client is domiciled, as determined by the governing law of this TC, and the Client hereby irrevocably and unconditionally consents to the exclusive jurisdiction and venue of such courts in any such dispute or claim. Service of process in any such dispute or claim shall be effective if served by first class mail, registered or certified mail, return receipt requested, postage prepaid, or by overnight delivery to the applicable address set forth in the TC or such other address as the parties may agree upon in writing. Absent an agreement of the parties in writing, Elsevier shall have the right to litigate in any other court of competent jurisdiction in the United States. If any provision of the TC is held to be illegal, void, invalid, unenforceable or unreasonably be deemed severable and the remaining provisions of the TC shall continue in full force and effect. The interpretation of this clause is limited to its application to a dispute or claim arising out of or relating to or in connection with the TC and shall not affect the validity of any other provision of the TC. The validity, interpretation and performance of this TC shall be governed by English law, without regard to any conflict of laws provisions that may otherwise apply. The parties each waive any right to a jury trial in any suit or proceeding arising out of or relating to the TC.

8. Audit
Orders for the Products and/or Services provided to the Client upon request. Reprints cannot be returned once these have been printed.
