Journal of Neonatal Nursing

Overview

The *Journal of Neonatal Nursing* is a research-based journal for all professionals concerned with the care of neonates and their families, both in hospital and the community. It aims to support the development of the essential practice, management, education and health promotion skills required by these professionals.

*Journal of Neonatal Nursing* will provide a forum for the exchange of ideas and information between the range of professionals working in this field; promote co-operation between these professionals; facilitate partnership care with families; provide information and informed opinion; promote innovation and change in the care of neonates and their families; and provide an education resources for this important rapidly developing field.

Contact your sales representative for all digital advertising rates and opportunities.
2. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). No additional terms, conditions or representations made by or on behalf of Elsevier shall apply to the TC unless expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or software such a sale may be subject to additional licence terms.

2.1. Proposal If the Client is not authorized to order and accept the Products and Services on behalf of the Client, the Client shall ensure that the Client is authorized to do so by any law enforcement agency, court or government agency; (3) are the subject of a claim asserted by an entity having a legal, equitable or beneficial interest in the Product or Services; or (4) are otherwise objectionable to Elsevier. In such event, Elsevier may either (i) substitute another Product or Services of similar quality at no additional cost to the Client; or (ii) refund to Client a pro rata portion of the original purchase price paid by the Client. Elsevier will not be liable for the timely appearance or distribution of any Product or Services for which the Client is responsible. The Client agrees that it will not interfere with Elsevier's efforts to comply with descriptions of the Products and Services agreed by both parties in the relevant order, including the nature and extent of any modifications to those terms as specified by Elsevier. The Client will be solely responsible for any cost or penalties incurred by Elsevier for completing any foreign exchange-related procedures in the said territory that are necessary to settle any monetary amount due.

5. Payment Unless otherwise agreed in writing, payments shall be made within thirty (30) days of the invoice date in the currency of the applicable Client. Time for payment shall be of the essence. Elsevier may set any convenient limit for any Client account and shall be entitled to refuse to supply any Client who has exceeded its current credit limit. Legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until Elsevier has received in full (i) all payments due and (ii) all other sums which are or may become due to Elsevier from the Client on account of any Products or Services.

6. Distribution The Client shall not engage in piracy, reproduction, or plagiarizing of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarizing of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full control and solely bearing all of its losses from any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under clause 5.

7. Intellectual property All rights in the Products and Services shall transfer to the Client upon manufacture. The Client shall use the Products and Services only for its own authorized purposes and shall deal as principal when making such a sale. The Client shall ensure that any resale price that it applies to the Products shall be at a sale of Elsevier on the Client's own behalf and shall deal as principal when making such a sale. The Client shall not sell, assign, sublicense, lend, lease, distribute, reproduce, copy, modify, alter, display, perform, broadcast, transmit, store, use, create derivative works from, or otherwise exploit or disseminate any portion of the Products or Services, in whole or in part, for any purpose, without Elsevier's express prior written permission.

8. Liability and claims The Client acknowledges that it has entered into this TC in the knowledge that the liability of Elsevier is limited to the amounts actually paid to Elsevier for the Products or Services. Neither party shall be responsible for death or personal injury except that resulting from its own negligence or willful misconduct.

9. Force majeure Neither party should be held responsible for any delays or interruptions in the delivery of the Products or Services resulting from causes beyond the control of such party, whether such causes be due to force majeure or otherwise. Neither party shall be responsible for any delays or interruptions in the delivery of the Products or Services resulting from causes beyond the control of such party, whether such causes be due to force majeure or otherwise. Neither party shall be responsible for any delays or interruptions in the delivery of the Products or Services resulting from causes beyond the control of such party, whether such causes be due to force majeure or otherwise. Neither party shall be responsible for any delays or interruptions in the delivery of the Products or Services resulting from causes beyond the control of such party, whether such causes be due to force majeure or otherwise.
