Overview

Journal of Obstetrics and Gynaecology Canada (JOGC) is Canada’s peer-reviewed journal of obstetrics, gynaecology, and women’s health. Each monthly issue contains original research articles, reviews, case reports, commentaries, and editorials on all aspects of reproductive health. JOGC is the original publication source of evidence-based clinical guidelines, committee opinions, and policy statements that derive from standing or ad hoc committees of the Society of Obstetricians and Gynaecologists of Canada. JOGC is included in the National Library of Medicine’s MEDLINE database, and abstracts from JOGC are accessible on PubMed.
