Journal of Vascular Surgery Cases and Innovative Techniques

Overview

Journal of Vascular Surgery Cases and Innovative Techniques is an online only open-access surgical journal dedicated to publishing peer reviewed high quality case reports related to all aspects of arterial, venous, and lymphatic diseases, including the placement and maintenance of arterio-venous dialysis accesses with an emphasis on the practicing clinician. The Journal seeks to provide novel and timely information to vascular, cardiovascular, and general surgeons, vascular physicians and cardiologists, interventionalists, phlebologists, wound care specialists, and allied health professionals involved in the management of patients with the entire spectrum vascular disease.
Affiliation
Society for Vascular Surgery

Audience
Vascular surgeons, cardiovascular surgeons, and general surgeons.

Editor-in-Chief
Peter Gloviczki, MD Peter Lawrence, MD

14. General

2. Terms and Conditions of Supply

1. Applicability

These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Service") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any previous supply terms and conditions. For the purposes of the TC Elsevier shall remain the company within the Elsevier group that is providing the Products or Services set out on the Elsevier order acknowledgement or invoice. Where general terms and conditions of business are prepared by the Client, Elsevier shall not adopt and the TC shall not be subject to any variation from such standard terms of business. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or such use may be subject to additional licence terms.

3. Offer and acceptance

Unless otherwise agreed by Elsevier in writing, the Client shall be deemed to have accepted the offer and the Client’s acceptance shall be irrevocable, except in the event of errors or omissions on the part of Elsevier or unauthorized variation to the offer. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or such use may be subject to additional licence terms.

4. Payment

Unless otherwise agreed by Elsevier in writing, the Client shall be deemed to have accepted the offer and the Client’s acceptance shall be irrevocable, except in the event of errors or omissions on the part of Elsevier or unauthorized variation to the offer. Any variation to the TC and any representations about the Products and Services shall have no effect unless explicitly agreed to writing and signed by an authorised signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier’s liability for fraudulent misrepresentation.
