Journal of Vascular Surgery Cases and Innovative Techniques

Overview

Journal of Vascular Surgery Cases and Innovative Techniques is an online only open-access surgical journal dedicated to publishing peer reviewed high quality case reports related to all aspects of arterial, venous, and lymphatic diseases, including the placement and maintenance of arterio-venous dialysis accesses with an emphasis on the practicing clinician. The Journal seeks to provide novel and timely information to vascular, cardiovascular, and general surgeons, vascular physicians and cardiologists, interventionalists, phlebologists, wound care specialists, and allied health professionals involved in the management of patients with the entire spectrum vascular disease.

1. Applicability

The terms and conditions shall apply to offers, proposals, agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgment, shall form the entire agreement between the (the parties). They supersede any previous supply terms and conditions. For the purposes of the TC Elsevier shall mean the company within the Elsevier group that is providing the Products or Services set out on the Elsevier order acknowledgment or invoice. Where general terms and conditions of business are prepared by the Client, for its own use and not intended to apply to the TC, they will not apply. Any variation to the TC and any representations about the Products and Services shall have no effect unless agreed to in writing and signed by an authorized signatory of Elsevier. Nothing in the TC shall exclude or limit Elsevier's Liability for fraudulent misrepresentation. Where Products are sold to the Client that contain third party software or product such a sale may be subject to additional license terms.

2. Offer and acceptance

This order (the "TC") is subject to the acceptance only of the Products and Services to be provided by Elsevier as set out in the TC or an amendment to this. The order is subject to Elsevier’s review of the order which may include the right to require the Client to provide any further information required by Elsevier for it to evaluate the order. Any amendment to the TC may only be made by a person authorized by Elsevier to make such an amendment. Any amendment to the TC made by the Client shall not be effective unless it is confirmed in writing by Elsevier. Elsevier reserves the right to make any changes it deems necessary to the order, including changes in the products and services to be provided by Elsevier.

3. Price, taxes and commissio

Unless otherwise agreed by Elsevier in writing the prices for the Products and Services shall be as stated in Elsevier’s current price list (whether point or online). All such prices/shares/value shall be exclusive of any handling, packing, loading, freight, transport and insurance charges unless separately specified in the TC. The Client shall pay Elsevier for the Products and Services in the currency specified in the TC. Elsevier shall be entitled to pass on any increase in the price of raw materials, taxes, duties, levies, costs, charges, freight, transport or insurance paid by Elsevier which are relevant to the supply of the Products or Services for which the Client is liable. In the event of such a price increase, Elsevier shall make a charge to the Client in respect of the Products and Services supplied to the Client at the increased price. The Client shall pay Elsevier the full amount due and owing for the Products and Services on the date(s) specified in the TC. If no dates are so specified, delivery/performance will be within a reasonable time.

4. Payment and credit

If less than 100% of the estimated amount is paid in advance the Client acknowledges and agrees that delivery or performance will be within a reasonable time. The Client’s obligations to make payments to Elsevier under clause 5.

5. Payment

If payment is not made when due, Elsevier shall, in addition to any other rights or remedies available to Elsevier, be entitled to charge interest on all outstanding amounts from the date that the amount(s) were invoiced or otherwise due at a rate equal to the highest rate permissible under applicable law. All amounts payable by the Client for Products or Services under the TC shall be considered as being due in the currency of the invoice or other documentation specified in the TC. The Client’s obligation to make payments to Elsevier under clause 2 shall not limit the Client’s existing legal or statutory rights where it is acting as a consumer.

6. Adverti

The formation, existence, construction, performance, validity and all aspects of the TC shall be governed by the law of the corporate domicile of the Elsevier company which is providing the Products or Services. The parties agree to submit to the exclusive jurisdiction of the courts of that same corporate domicile. Elsevier shall be entitled to assign the TC to any third party without the prior written consent of the Client. Elsevier may assign any part of the TC to any part of its own person, firm or body corporate. If any provision of the TC is found to be unlawful, void or for any reason unenforceable then that part of the TC which is found to be unlawful, void or unenforceable shall be severed from the rest of the TC and the remainder of the TC and the remainder of such provision shall continue in full force and effect. Failure or delay by Elsevier in enforcing or otherwise enforcing any provision or (provisioning any breach of) the TC shall not be construed as a waiver of any of its rights under the TC.
