2. Offer and modification of execution 
Any modifications to the agreed product or service, budget, schedule or any other term in the agreement may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional services in connection with the performance of the TC, Elsevier shall act in the name of, and on the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Services and Supplies are intended to be an estimate and require time for delivery/performance may not be accomplished by the service of notice. If no dates are so specified, delivery/performance will be within a reasonable time.

5. Prices, terms and currencies
Unless otherwise agreed by Elsevier in writing, the Client shall pay for the Products in accordance with the current price list (whether print or online). All such price lists shall be exclusive of any handling, packing, loading, freight, insurance and transport and any other charges, which are directly related to the promotion, demonstration or explanation of Products or Services or the Client's business, unless agreed by Elsevier in writing. The Client represents and warrants that it is purchasing Products or Services from Elsevier for its own account and use and not on behalf of any other person or entity. If Client is an agent, it represents and warrants that it is purchasing the Products and Supplies from Elsevier for the account and use of no more than one identified institutional subscriber as principal or, if Client is permitted to order personal subscriptions in a representative capacity, for the account and use of no more than one identified eligible individual subscriber for personal use only. Client acknowledges that violation of this representation and warranty will impair cause, shall not be entitled to assign the TC or any part of it without the prior written permission of Elsevier. If any provision of the TC is found by any court, tribunal or other authority to be invalid or unenforceable, such provision shall be deemed severed from the TC and the remainder of the TC shall not be affected.

6. Distribution
The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or Services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sale of the Products, exercising full control and shall not allow any of its losses resulting from uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under clause 5.

7. Intellectual property
Unless otherwise agreed by Elsevier in writing, all rights, title, and interest in and to the Products and Supplies shall vest in the Client on Elsevier's delivery of the Products. The Client shall not (i) have any proprietary right in the Products or Supplies; (ii) assign, transfer or sublicense any part of the Product without the prior written permission of Elsevier; or (iii) use, distribute or sell the Product in any manner not expressly agreed by written contract. The Client shall not use the Products or Supplies other than in accordance with the express terms of this TC, and the Client shall not copy, modify, translate, create derivative works from, or reverse assemble or disassemble the Products or Supplies, except to the extent permitted by applicable law, or as expressly authorized in writing by Elsevier. The Client shall not transfer the Products or Supplies in any form or manner, whether by sale, license, assignment, transfer or sublicense without the prior written permission of Elsevier. The Client shall not acquire any ownership interest in the Products, and the Client shall be responsible for obtaining all licenses and consents required for the use and distribution of the Products. The Client shall use the Products solely in connection with the Client's own products or services, and the Client shall deal as principal when making such a sale.
