Seminars in Arthritis and Rheumatism

Overview

The Seminars in Arthritis and Rheumatism provides a broad interpretation of the field, including aspects of general medicine and orthopedics. Each bimonthly issue presents comprehensive review articles focusing on topics in rheumatology. It is of interest to rheumatologists, internal medicine specialists, orthopedic surgeons, immunologists and specialists in bone and marrow metabolism.

2. Applicability
These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent (the "Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). The Parties agree that no variation to these terms and conditions shall be valid unless agreed by Elsevier in writing.

3. Execution and modification of the order
The Client shall be fully responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other form as agreed by Elsevier) and within the relevant deadline set by Elsevier (the "Closing Date"). Where copy is received late or not at all, Elsevier shall not be liable for any losses or expenses incurred by the Client.

4. Force majeure
Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written order acknowledgement by Elsevier is received by the Client.

6. Distribution
The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in the Products. No part of the Elsevier proposals, publications or Services or and Services shall remain with Elsevier unless agreed otherwise in writing.

7. Intellectual property
Copyright and other intellectual property rights to all Elsevier proposals, publications and other Products and Services or Services are granted by Elsevier to the Client without the prior written permission of Elsevier. The Client is solely responsible for ensuring proposed advertising copy is received at Elsevier in electronic form (or such other form as agreed by Elsevier) and within the relevant deadline set by Elsevier (the "Closing Date"). Where copy is received late or not at all, Elsevier shall not be liable for any losses or expenses incurred by the Client.

9. Force majeure
Each order for the Products and Services by the Client from Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written order acknowledgement by Elsevier is received by the Client.

10. Advertising & Reprints
Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act as the Client's agent and not in its own right. Any such Services and/or modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgement, may result in an adjustment to the final price and/or delivery schedule at Elsevier's discretion.
