5. Payment: Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency invoiced. The time for payment shall be of the essence. Elsevier may set and vary credit limits for any Client account and shall be entitled to refuse to supply any Client who has exceeded its current credit limit. Legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until Elsevier has received in full (n) cash or cleared funds all sums due to it in respect of the Products and all other sums which are or which become due to Elsevier from the Client on account.

6. Distribution: Elsevier shall not be liable for piracy, reproduction, or plagiarism of the Products or any other Products or services of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full credit control and solely bearing all of its own losses resulting from any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client's obligation to make payments to Elsevier under clause 9.

7. intellectual property: Copyright and other intellectual property rights in all products and services, Elsevier, its affiliates, or its licensor(s), and the Client agree that any copyright or other intellectual property rights in the Products or Services shall be owned by Elsevier or its licensor(s) and that the Client holds a non-exclusive, non-transferable license to use the Products or Services for the purposes set out in the TC and no other rights are granted to the Client under this TC.
