Gastro Hep Advances

Overview

Gastro Hep Advances is the newest peer-reviewed journal published by the American Gastroenterological Association (AGA), joining Gastroenterology, Clinical Gastroenterology and Hepatology (CGH), Cellular and Molecular Gastroenterology and Hepatology (CMGH), and Techniques and Innovations in Gastrointestinal Endoscopy (TIGE). Gastro Hep Advances is a broad-scope, online-only, open access journal that publishes papers on basic, clinical and translational gastroenterology and hepatology. The open access model enables authors with funding mandates to have a high-quality home for their research. In addition to full-length original research articles, the journal publishes comprehensive reviews as well as commentaries and editorials. A core objective is to publish papers cascaded from AGA’s other journals that represent outstanding science and therefore qualify for publication in a journal supported by the AGA brand. Gastro Hep Advances also strongly encourages the submission of manuscripts not originally submitted to the other AGA journals. Gastro Hep Advances is less concerned with novelty and subjective perceptions of significance; its aim is to publish digestive disease research that is technically, ethically, and scientifically sound. Gastro Hep Advances will be published 8 times in 2023 with the number of issues increasing over time. Shortly after articles are accepted, they will be posted to the "Articles in Press" page of the journal's website. As a new journal, Gastro Hep Advances is not yet indexed in PubMed Central. At present, only federally funded research will be deposited into PubMed Central, which satisfies the National Institutes of Health access policy. Application and admission into PubMed Central - which would permit depositing of all accepted articles, regardless of funding status - is a major strategic goal of the journal and one we are diligently working towards. The journal's website will also support multimedia files and supplemental data including images, video and audio files. Gastro Hep Advances provides updates and commentary via Facebook and Twitter.

Contact your sales representative for all digital advertising rates and opportunities.
1. Applicability These terms and conditions shall apply to all offers, proposals and agreements made between Elsevier and any third party or its agent ("the Client") relating to the products and/or services of Elsevier ("the Products and/or Services") and, along with the relevant Elsevier order acknowledgement, shall form the entire agreement between the parties (the "TC"). They supersede any written and/or oral statements or descriptions and terms and conditions relating to the products and/or services of Elsevier ("the TC and/or Term Sheet") and all express or implied terms and conditions relating to the sale and purchase of the products and/or services of Elsevier, whether oral or written, are hereby excluded from the TC and the Client agrees that it is making its purchase on the basis of the TC and/or Term Sheet only.

2. Offer and acceptance/ Description Each order for the products and/or services of Elsevier shall be deemed to be an offer by the Client to purchase the Products and Services subject to the TC. No order placed by the Client shall be deemed accepted until a written acknowledgement of order is issued by Elsevier or (if earlier) Elsevier delivers the Products or issues the invoice to the Client or commences performance of the Services for the Client. All product orders are accepted subject to availability of the ordered products. Unless otherwise expressly agreed by Elsevier, Elsevier agrees that it shall have no obligation to replenish stock, to substitute products, to duplicate Products or Services or to sell Services or Products of the same kind or quality to the Client except where the agreed terms and/or prices have been expressly agreed in writing and signed by an authorized signatory of Elsevier. Nothing in the TC will exclude or limit Elsevier's liability for fraud or fraudulent misrepresentation. Where Products are sold to the Client that contain third party software such software may be subject to additional licence terms.

3. Execution and modification of the order Any modifications to the agreed product or service description, budget or schedule, as set out in the order acknowledgment, may result in an adjustment to the final price and/or delivery schedule at Elsevier’s discretion. If, at the request of the Client, Elsevier renders additional Services in connection with the performance of the TC, Elsevier shall act in the name of, and on the account of, and at the risk of the Client. Any dates specified by Elsevier for delivery/performance of the Products and Services are intended to be at an estimate and time for delivery/performance shall not be made of the essence by notice. If no dates are so specified, delivery/performance will be at Elsevier’s convenience.

4. Prices, taxes and currency Unless otherwise agreed by Elsevier in writing the prices for the Products and Services shall be set out in Elsevier’s current price list (whether print or online). All such prices shall be exclusive of any handling, packing, loading, freight, insurance and transport insurance charges unless otherwise agreed in writing, and shall also be exclusive of any taxes, import duties or other levies imposed on the sale or import of the Products or Services by local or national authorities, which shall be charged by Elsevier as applicable. Where applicable, Client shall provide to Elsevier Client's VAT registration number or other evidence of tax exemption to Elsevier at the time of placing its order. If, under the laws of the territory in which Client is selling the Products, the Client is required to withhold any tax on the purchase price, the Client will make such withholding and charge the tax to Elsevier. In any case, the Client acknowledges that it is responsible for ensuring that all taxes levied on the supply of the Products and Services to it are paid, and will do so, in a timely manner, in full, to Elsevier. The payment of any tax which is levied on or imposed on the supply of the Products or Services shall be the responsibility of the Client. Invoices issued by Elsevier shall state the amount of tax due and the basis on which it has been calculated. The Client agrees to make all payments due to Elsevier free from any deduction in respect of tax or otherwise.

5. Payment Unless otherwise agreed in writing, payments shall be effected within thirty (30) days of the invoice date in the currency stated. Time for payment shall be of the essence. Elsevier may set any credit limits for any Client account and shall be entitled to refuse to supply any Client who has exceeded its current credit limit. Legal and beneficial title in any tangible Products supplied by Elsevier to the Client shall remain with Elsevier until Elsevier has received in full (nail) or cleared funds all sums due to it in respect of the Products and all other sums which are or which become due to Elsevier from the Client on account.

6. Distribution The Client shall not engage in piracy, reproduction, or plagiarism of the Products or any other products of Elsevier or its affiliates, nor shall it directly or indirectly facilitate any other party to engage in those activities. The Client shall promptly notify Elsevier if it becomes aware of any piracy, reproduction, or plagiarism of the Products by any third party. The Client is solely responsible for collecting from its customers amounts due in respect of its sales of the Products, exercising full control and safely keeping all of its losses from any uncollected amounts. Delays or failures in obtaining such payments will not affect the Client’s obligation to make payments to Elsevier under clause 5.

7. Intellectual property Copyright and other intellectual property rights to Elsevier proposals, publications and other Products or Services shall remain with Elsevier unless otherwise agreed in writing. The rights granted by Elsevier are to use solely for the purpose of making the Products and Services available and are not transferable, sub-licensable or assignable to any third party without the prior written permission of Elsevier. The rights granted by Elsevier are non-exclusive and for the purpose expressly agreed upon. Any other use shall require the prior written permission of Elsevier. The Client shall not acquire any intellectual property rights in any Products. In no part of the Elsevier proposals, publications or Products or Services may be stored in or accessed through any automated data base or information retrieval system, whether mechanically, electronically, biologically, or otherwise. The Client shall not acquire any intellectual property rights in any Products.

8. Liability and claims TO THE MAXIMUM EXTENT PERMITTED BY LAW, ELSEVIER DISCLAIMS ALL WARRANTIES, CONDITIONS OR TERMS, IMPLIED OR OTHERWISE, INCLUDING BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT OF ANY THIRD-PARTY RIGHTS. IN NO EVENT WILL ELSEVIER OR ITS SUPPLIERS BE LIABLE FOR ANY LOSS, DAMAGE, INJURY OR DEATH OF ANY KIND, WHETHER DIRECT, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY OR CONSEQUENTIAL, INCLUDING BUT NOT LIMITED TO LOSS OF BUSINESS OR PROFITS, LOSS OF PRODUCTION, LOSS OF INCOME, LOSS OF REVENUE, LOSS OF GOODWILL, OR LOSS OF DATA, WHETHER ARISING FROM CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY OR OTHERWISE, EVEN IF ELSEVIER OR ITS SUPPLIERS HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. NOTwithstanding the above, ELSEVIER LIABILITY WILL BE LIMITED TO THE AMOUNT ACTUALLY PAID BY THE CLIENT TO ELSEVIER UNDER THE TC. ANY CLAIMS FOR Damages OR LOSS OF ANY KIND MUST BE FILED WITHIN TEN YEARS OF THE DATE OF DELIVERY OF THE PRODUCTS OR SERVICES.

9. False representations The Client agrees that it will not make any false or misleading statements or representations, or fail to make any disclosure, in respect of any Products or Services, or in respect of any fact relating to the Products or Services, which induces or purports to induce any person or entity to enter into any contract with the Client.

10. Advertising & Reprints Elsevier shall have the absolute right to refuse to publish, or cancel, or substitute or alter, or delay the publication of any advertisement placed by the Client, or otherwise to refuse to provide any service to the Client or any third party, to the extent that such refusal, alteration, substitution, delay or other act is necessary or reasonable in order to comply with the requirements of any applicable law, rule or regulation, or to protect the Client, Elsevier, or any third party, or to prevent the Client, Elsevier or any third party from being liable for any criminal or civil liability.

11. Client indemnification The Client agrees to indemnify and defend Elsevier and its officers, employees, and agents from and against all claims, liabilities, damages, losses, costs, and expenses, which are directly related to the promotion, demonstration or explanation of Products or Services or the Client’s compliance with the TC.

12. Compliance with laws The Client shall comply with all laws, rules, regulations and codes of practice to which the Client is obliged and shall consummate all acts necessary for the performance of the TC and each separate transaction under the TC and shall pay all such taxes and duties as may be imposed on the Client, by law or otherwise, in respect of the TC.

13. Execution, delivery and performance The Client agrees to execute, deliver and perform all the terms and conditions of the TC in a timely manner and in a workmanlike manner and to the best of its ability and discretion. The Client agrees to use reasonable care in the performance of the TC.

14. General Any action to enforce or protect the Client’s rights in the TC shall be commenced in any court of competent jurisdiction in the State of New York, and the Client hereby consents to personal jurisdiction and venue in the State of New York. Any action or failure to act by Elsevier under or in connection with the TC shall not be deemed to create an agency relationship between the Client and Elsevier, nor shall it be deemed to resign Elsevier from the benefit of any statute of limitations.

Approved by Elsevier’s Board of Directors on May 31, 2011. Effective 1 January 2012.
