Journal of Endometriosis and Uterine Disorders

Society of Endometriosis and Uterine Disorders (SEUD)

LIGNE ÉDITORIALE *Overview*

The Journal of Endometriosis and Uterine Disorders (JEUD) is a worldwide scientific peer reviewed gold open access medical journal that seeks to publish basic and clinical original research articles as well as timely and critical reviews focusing specifically on uterine physiology as well as pathogenesis, pathophysiology, diagnosis, medical and surgical treatment of endometriosis and other uterine disorders in all its multidimensional aspects. Contributions on menstrual cycle and menstruation, the epidemiology of endometriosis and uterine disorders, of their diagnosis and classification, and of their medical, social, psychological and health outcome consequences are welcome. The Journal of Endometriosis and Uterine Disorders is the official Journal of The Society of Endometriosis and Uterine Disorders (SEUD). JEUD is available on ScienceDirect.
