# AIC Annals of Intensive Care

## LIGNE ÉDITORIALE Overview

*Annals of Intensive Care* is an online peer-reviewed gold open access journal dedicated to advancing knowledge and practice in the care of critically ill patients. The journal publishes original research, comprehensive reviews, and educational content relevant to intensive care, emergency medicine, and perioperative care. Aimed at a multidisciplinary readership – including physicians, fellows, nurses, and allied health professionals – the journal fosters evidence-based dialogue to support clinical decision-making and improve patient outcomes.

Experimental studies, as well as research involving paediatrics and neonates, remain within scope and are not outright excluded.

AIC is an Official journal of the French Intensive Care Society (FICS) / Société de Réanimation de Langue Française (SRLF) AIC is available online on ScienceDirect.
