Diagnostic & Interventional Imaging

Official journal of the Société française de radiologie (SFR) and the Collège des enseignants en radiologie de France (Cerf)/Organe officiel de la Société française de radiologie (SFR) et du Collège des enseignants en radiologie de France (Cerf)

LIGNE ÉDITORIALE Overview

Diagnostic and Interventional Imaging accepts publications originating from any part of the world based only on their scientific merit. The Journal focuses on illustrated articles with great iconographic topics and aims at aiding sharpening clinical decision-making skills as well as following high research topics. All articles are published in English.

Diagnostic and Interventional Imaging publishes editorials, technical notes, letters, original and review articles on abdominal, breast, cancer, cardiac, emergency, forensic medicine, head and neck, musculoskeletal, gastrointestinal, genitourinary, interventional, obstetric, pediatric, thoracic and vascular imaging, neuroradiology, nuclear medicine, as well as contrast material, computer developments, health policies and practice, and medical physics relevant to imaging./
