Journal of Stomatology Oral and Maxillofacial Surgery

Société Française de Stomatologie Chirurgie Maxillo-
faciale et Chirurgie Orale

LIGNE ÉDITORIALE Overview

The Journal of Stomatology Oral and Maxillofacial Surgery publishes research papers and techniques - (guest) editorials, original articles, reviews, technical notes, case reports, images, letters to the editor, guidelines - dedicated to enhancing surgical expertise in all fields relevant to oral and maxillofacial surgery: from plastic and reconstructive surgery of the face, oral surgery and medicine,... to dentofacial and maxillofacial orthopedics.

The Journal of Stomatology Oral and Maxillofacial Surgery is the official publication of the French Society of Stomatology Maxillofacial Surgery and Oral Surgery (Société Française de Stomatologie Chirurgie Maxillo-Faciale et Chirurgie Orale - SFSCMFCO)

The journal is indexed in the main international databases and is accessible worldwide through the ScienceDirect and ClinicalKey Platforms.
