# The Journal of Prevention of Alzheimer's Disease

## LIGNE ÉDITORIALE Overview

*The Journal of Prevention of Alzheimer's Disease (JPAD)* is a e-only gold open access journal that publishes reviews, original research articles and short reports to improve the knowledge in the field of Alzheimer prevention including: neurosciences, biomarkers, imaging, epidemiology, public health, physical cognitive exercise, nutrition, risk and protective factors, drug development, trials design, and health economic outcomes.

JPAD publishes also the meeting abstracts from the Clinical Trial on Alzheimer Disease - CTAD's event.

JPAD is available on ScienceDirect.
